Mrs. Sutter
On Board For

Mrs. Dorothy Sutter, Medford, has been named a member of the Girls' State commission of the Oregon American Legion auxiliary.

The appointment was announced last week by Mrs. Jack Larson, Springfield, department president of the auxiliary. Miss Nancy Kirkpatrick, Lebanon, is chairman of the commission which stages Girls' State each year to give high school girls of Oregon an opportunity to learn about government.

Mrs. Sutter will go to Portland July 26 to be among the group of auxiliary women who will talk with Oregon delegates to Girls' Nation before they leave for Washington, D. C.

Mrs. Sutter recently returned from the state convention, held in Seaside. Also attending from the Medford Legion auxiliary were Mrs. H. C. Goldsmith, Mrs. Walter Collins, Mrs. Betty Fichtner, Mrs. Clark Walker and Mrs. Earl Bigalow, a past department president and now national executive committee woman for Oregon.

During the convention, Medford was commended for its child welfare program. The report was made by Mrs. Bigalow. Mrs. William Friend Jr., Grants Pass, is District 4 president and Mrs. Sutter is vice president.

The new member of the Girls' State commission, a Medford teacher, is a past president of the Department of Panama, a past secretary of the Department of Nebraska and has served as department historian for Oregon. She was chairman of the Oregon convention held in Medford in 1961.

Two Medford High school students attended the second annual Junior Engineers' and Scientists' summer institute held in late June on the Willamette university campus. The young women, both from the Griffin Creek area, pictured above are (left) Martha Graham, daughter of Lt. Col. and Mrs. Frank D. Graham, 2704 Syringa drive, and Heather Rode, daughter of Mr. and Mrs. George W. Rode, 2242 Buena Vista drive. Both will be seniors this fall. The JESSI session is held exclusively for girls interested in the sciences. The meet was attended by about 167 girls from six states selected on interest and grade points. The average grade point of all the 167 girls is 3.5-plus. The two-week session included daily classes in such subjects as exploratory psychology, zoology, mathematics, plant physiology, astronomy, chemistry, geochimistry and geophysics, physics, genetics, microbiology, organic evolution, paleontology, physiology. Final examinations were taken at the close of the session taught by nine regular members of the Willamette university science and mathematics departments.

Teacher
Has Show
In Saratoga

A one-man show of oil paintings, watercolors and sculpture by Warren Wolf, 1517 South Ivy street, art instructor at Medford High school, is currently under way at The Horse's Mouth Gallery, Third and Big Basin Way, Saratoga, Calif.

The show opened July 7 and was previously scheduled to end July 29. The gallery owners have requested that the show be extended until mid-August due to the response.

Mr. and Mrs. Wolf and their two children, Douglas and Sara, were in Saratoga last week end for a reception in his honor. The show includes 21 oils, three watercolors and three wood and steel sculptures. Mr. Wolf said that the majority of the works being exhibited have been in competitive exhibits, having been shown at the Rogue Gallery in Medford, Rochester, N.Y.; Seattle, and Portland.

This is the first one-man show of this size that Mr. Wolf has had in the Bay area. Saratoga, an art community, is a town of approximately 1,000 population southwest of San Jose and has seven art and antique galleries.

While in the area the Wolf family visited Mr. and Mrs. C. A. Anderson, San Jose, parents of Mrs. Wolf. The previous week end the family visited Mr. Wolf's mother, Mrs. Fred O. Wolf in Salem.

The Wolf family will move from Medford July 20 to Fremont, Neb., where Mr. Wolf will be head of the art department at Midland college. The four-year liberal arts college has an enrollment of 750 students, Mr. Wolf said.

Rites At New Church

Ashland — From Hillsboro, Ore., comes news of the marriage of Miss Marjorie Mae Meihoff of that city to Charles Gregg Lininger, Ashland, which took place in the church, Sunday, July 8. The bride is a daughter of Mr. and Mrs. Edw. Meihoff, Hillsboro, and the parents of the bridegroom are Mr. and Mrs. Earl Lininger, 240 Skycrest drive, Ashland.

The Rev. Wilbur Sloat read the double ring rites at 4:30 o'clock in the afternoon in the Orenco Presbyterian church. About 200 guests attended the ceremony.

The church was decorated with white and yellow daisies, stock, and gladioli. White bows and daisies marked the pew ends.

Mr. Meihoff gave his daughter in marriage. For the ceremony she chose a floor length gown with chapel train, fashioned of silk organza over taffeta, and accented with Alencon lace. It was designed with cummerbund and off-center bow. Her fingertip length bouffant veil was caught by a pearl tiara, and she carried a bouquet of white orchids and stephanotis.

Mrs. Jack Milhoan, Medford, sister of the bridegroom, was matron of honor. Other attendants were Mrs. Ernest Aebi, Mrs. Jack Hoey, Mrs. Gregory Altenhosen, Miss Mary Barzee, and Miss Nancy Derah, all of Portland. They wore sleeveless frocks of yellow cotton pique, and their bouquets were of white daisies with yellow centers, bound with white ribbon.

Brother Best Man
Earl Lininger Jr., Ashland, a brother of the bridegroom, served as best man. Seating the guests were Dr. Walter Meihoff, Portland, a brother of the bride; Jack Courtemanche and Jack Altstoeck, Eugene, and Sidney Moody and Don Hendrick, Portland.

A reception, given by the bride's parents, was held in the bride's room following the wedding.

For the wedding trip, to San Francisco, Lake Tahoe, and Reno, Nev., the bride chose

an aqua suit with self flower at the neckline, and a white feather hat.

The bride is a graduate of Hillsboro High school and the University of Oregon. She will be employed in the Medford school system, where she will teach junior English at Medford High school in September.

Mr. Lininger is a graduate of Ashland High school. He attended the University of Oregon, and was graduated from Southern Oregon college. He is employed by M.C. Lininger and Sons, general contractors. The newlywed couple will make their home at 801 Ashland street, Ashland.
