MANOR-ISMS

By ETHELYN EVANS

Evidently Rogue Manor members have chosen the terrace patio at Rogue Valley Country club as a favorite rendezvous. Almost impossible to go there without meeting a number of our members enjoying the view and the good food. When valley breezes are too, too cool, they flee to the indoor rooms.

Mr. and Mrs. Mark Goldy entertained a number of their long-time Medford friends recently. After dinner at the Country club, all returned to the Goldy's spacious apartment for an evening of cards. Those enjoying the party were Mr. and Mrs. S. G. Nye, Mr. and Mrs. Eugene Thorndike and Mr. and Mrs. Richard Gray.

A Manor tour for Manor members—yet! Each afternoon for one week, members have been taken on tours of the mechanical rooms. It actually takes wonderful—if not fearful—mechanical equipment in charge of engineers and electricians, day and night, to keep this big plant running smoothly. This marvelous equipment is housed in basement and sub-basement and does everything for us: air conditioning, heat, water, electricity, elevators and what-have-you. We truly have a small city in this Hilton-on-the-Hill.

Did you know that we have a civil defense station on the tenth floor of our Manor? It is connected to a special radio antenna erected by the city of Medford and is equipped with receiver and transmitter. It is in charge of our member, Mr. L. L. Brosius, Valentine, who has purchased other valuable equipment, which would enable him to duplicate and re-broadcast important messages. Mr. Brosius is on call at all times, records daily fall-out, cooperates with the forest fire patrol and always answers a 1 p.m. roll call. An interesting and worthwhile hobby, we would say.

We are not trying to reverse the season by talking about Christmas in July; but our members found out about a "Card Lady", Mrs. Mary E. Waters, Grants Pass, who makes over Christmas cards for her "boys" in the service and Veterans' hospitals. Ray Neptune, Burlingame, posted a notice on our bulletin board and collected nearly 3000 cards for Mrs. Waters. She works at this hobby the year-round.

One Manor activity that knows no summer is that of showing scientific and educational films on Tuesday afternoons in the lecture room. Dr. William Giles, Oakland, secures these films and presents them—nearly always to a capacity audience. Films on industry, education, the professions and travelogue—all of them top-drawer productions.

Our Bible class on Wednesday evenings continues through the summer, also, with Dr. Earl Benbow, Corvallis, taking over for Mrs. Robert Bridge, Abeline, Texas, who is taking a vacation. And the Rev. Eric Robathan, who moved into the Manor recently from Central Point, conducts communion service in our chapel. This service was initiated by Canon Edwin Moss, Laguna Beach. He and Mrs. Moss have been in England for several months now.

With a few notable exceptions, of course, Rogue Manor members have a well-developed sense-of-humor. All of

Local Daughters Attend Meeting

Mrs. Ruby Mallory, president of Elita Deuel Hubbs tent, Daughters of Union Veterans, Mrs. Carrie Milnes, and Miss Sadie Del Mater attended the department convention of the group recently in Eugene.

Miss Joan Guyer, Medford, was elected new department patriotic instructor for Oregon. Mrs. Pearl M. Hain, Lansing, Mich., national president of the DUV, was also present.

The tent will meet Wednesday, July 18, at Maple park, for a picnic. Members are asked to take covered dishes, table service, and drinks.

busy all the time". After all, the ability to laugh AT oneself and WITH other people is a priceless asset.
