Convertible Sales Show Rapid Increase

Flint, Mich.—Buick Convertible cars are becoming more popular year by year. During 1961, the U.S. automobile industry produced 274,946 convertibles, 4.7 per cent of the total volume of all cars built. Buick, which devoted 8.8 per cent of its 1961 production to convertibles, will boost that figure to 11.4 per cent during the 1962 model year, according to Buick general sales manager R. S. Withers.

Eyes Relax Best at Distance of 20 Feet

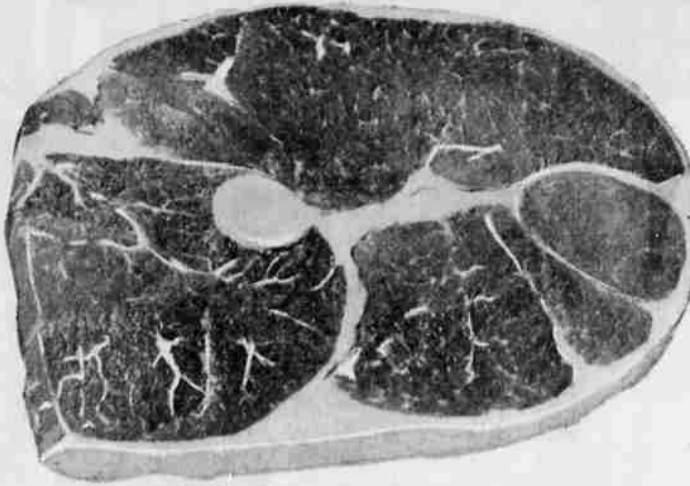

New York—When sewing or doing other close work, rest your eyes by looking up from time to time.

For most people, the distance at which the eyes see objects clearly is about 20 feet, eye researchers report.
