GOOD SENSE FOR EVERY READING FAMILY

THE PURPOSE of this suggested trial membership is to demonstrate two things by your own experience: first, that you can really keep yourself from missing, through oversight or over-busyness, books you fully intend to read; second, the advantages of the Club's unique Book-Dividend system, through which members can regularly receive valuable library volumes—at a small fraction of their price—simply by buying books they would buy anyway. The offer described here really represents "advance" Book-Dividends earned by the purchase of the three books you engage to buy later.

* The three books you choose from those offered on this page will be sent to you immediately and you will be

billed \$1.00 for each volume you select (plus a small charge for postage and handling).

* If you continue after this trial you will receive, with every Club choice you buy, a Book-Dividend Certificate. Each certificate, together with a nominal sum—usually \$1.00—can be redeemed for a valuable Book-Dividend which you may choose from a catalog of more than a hundred fine library volumes whose publishers' retail prices now average \$7.00. Since the inauguration of the Book-Dividend system, \$270,000,000 worth of books (retail value) has been earned and received by Book-of-the-Month Club members through this unique profit-sharing plan.

BOOK-OF-THE-MONTH CLUB, Inc.
345 Hudson Street, New York 14, N. Y.

AS2-7-1

Please enroll me as a member of the Book-of-the-Month Club® and send me the three books whose numbers I have indicated in boxes below, billing me \$3.00 + 1 cent to purchase at least three additional monthly selections—or alternates—during the first year I am a member. The price* will never be more than the publisher's price, and frequently less. I have the right to cancel my membership any time after buying three Club choices (in addition to those included in this introductory offer). After my third purchase, if I continue, I am to receive a Book-Dividend Certificate with every selection—or alternate—I buy. Each certificate, together with a nominal sum—usually \$1.00—can be redeemed for a Book-Dividend which I may choose from a wide variety always available. PLEASE NOTE: Whenever two or more books are offered together at a special combined price, as they occasionally are, such a purchase is counted as a single book in earning Book-Dividend Certificates and in fulfilling the membership obligation to buy three Club choices.
