

Status of Major Bills in Congress

Washington—(AP)—Status of major bills in Congress:

FOREIGN POLICY

Trade (HR 11970) — would authorize President to abolish tariffs on certain goods; to reduce tariffs by 50 per cent on all other items and provide federal aid to U.S. firms and workers hurt by imports. House-passed; Senate-in committee, hearings start soon.

Foreign Aid (S 2996) — Administration requested authorization of \$4.9 billion for year which started July 1 and \$2.4 billion for Latin America for subsequent three years. Senate — Approved compromise that would provide \$4.7 billion and \$1.8 billion, respectively. House — To take up compromise Tuesday.

U.N. Bonds (HR 9982 & S 2768) — would authorize President to lend the United Nations up to \$100 million to help the World Organization solve its financial crisis. Senate — passed; House — committee hearings under way.

DEFENSE AND SPACE

Satellite Communications (HR 11040) — Would charter privately-owned corporation to develop, own and control satellite system to relay telephone and telegraph messages and television. House-passed; Senate-committee approved, floor debate started, but laid aside temporarily.

Fallout Shelters (HR 10262 & S 2658) — Would authorize Federal grant to non-profit groups for construction of approved public fallout shelters. House-in committee, no hearings scheduled; Senate — no hearings scheduled.

WELFARE AND EDUCATION

Medical Care (HR 4222 & S 909) — Would provide partial payment of hospitalization and nursing home costs of persons 65 and older, would raise social security tax. Senate-killed compromise version. House-committee opposed, but abandoned plans for showdown vote in view of senate action.

College Aid (HR 8900) — House-passed bill would provide \$1.5 billion over five years in construction loans and grants for college buildings. Senate-passed bill would provide \$1.5 billion in construction loans, \$250 million in building grants for junior colleges and \$900 million for student scholarships. Conference committee negotiations.

BILKED OF \$83 MILLION

Washington — (AP) — Postmaster General J. Edward Day has reported that mail fraud schemes bilked the public out of more than \$83 million in the past year. But Day said Sunday that investigations by the Postal Inspection Service and Justice Department resulted in 524 mail fraud convictions in fiscal 1956 — a modern record and 21 per cent above the previous year.

Public Works (S 2965 & HR 10113) — Administration proposed \$660 million immediate program plus \$2 billion in cash with stand-by power to spend in time of recession. Senate-passed bill which boosts immediate program to \$750 million, cuts stand-by program to \$750 million and denies cash for it until next year. House-committee approved \$90 million immediate program, no stand-by power.

Women's Wages (HR 11677 & S 2494) — would require equal pay for women for equal work within single companies with Labor Department authorized to enforce through federal courts. House — committee approved, floor consideration scheduled next week. Senate-no hearings set.

Teacher Training (HR 10145 & S 2826) — would authorize about \$300 million over five years for expanded cooperative research in teaching improvement and summer college courses for grade and high school teachers. Participants to get \$75 a week stipend plus \$15 for each dependent. House — Committee approved, awaiting Rules Committee clearance. Senate — Committee hearings completed.

TAXES AND POSTAGE

Tax Revision (HR 10650) — Provides tax credits ranging up to \$7 for each \$100 spent by businesses for income-producing equipment and imposes withholding taxes on dividend and interest payments. House-passed; Senate — committee tentatively approved after eliminating withholding provision and revising tax credits.

Postal Rates (HR 7927) — would increase first class, air mail and postcard rates one cent, and raise rates for magazine and advertising mail. House — passed; Senate-committee hearings resume Tuesday.

CIVIL RIGHTS

Literacy Tests (S 2750 & HR 10034) — would outlaw discriminatory state literacy tests for voters and make sixth grade education proof of literacy for voting in federal elections. Senate — efforts to pass abandoned after twice fail to stop Southern talkathon. House — committee completed hearings.

Poll Taxes (S.J. Rez. 29) — would amend constitution to outlaw state poll taxes or other levies as requirement for voting in federal elections. Senate — passed; House — committee approved, no action in Rules Committee, discharge petition filed.

School Segregation (HR 10056 & HR 11559) — first would withhold federal aid payments from racially-segregated schools crowded by children of servicemen and federal workers; second would repeal authority for aid to "separate but equal" land grant colleges. House-committee approved both; Senate — no hearings scheduled.

AGRICULTURE

Government controls (HR 11222 and S3225) — would require growers of corn, other feed grains to choose in national referendum between curbs on plantings to curb surpluses and sharp cut in price guarantees. Senate — passed; House-rejected.

Acreage cuts (HR 12266) — would continue for one year stopgap wheat and feed grain programs, including payments to growers of corn and other feed grains who voluntarily cut plantings to reduce surpluses. House-passed; Senate — expected to consider soon.

CITIES

Continued transportation (HR 1158 and S 3126) — provides \$500 million in federal grants to help cities and towns subsidize development of better commuter trains, buses and subways. Senate — Committee action expected this week. House-committee approved, awaiting rules committee clearance.

Cabinet Reorganization Plan No. 11 — would create cabinet-level department of urban affairs and housing. House-killed.
