

Lumber, Plywood Prices Decline

Portland—Lumber and plywood prices declined during the past week, Crow's Lumber Market News Service reports.

The decline ranges from \$1 to \$2 for sheathing to \$2 to \$3 for green fir.

Sanded plywood was weaker, Crow's said, with quarter inch Ad selling for \$60, down from a maximum of \$62 the previous week.

Production at Douglas Fir Plywood Association mills was estimated at 182 million square feet, up from 143 million the previous week.

For Teen Dolls

it's my day to run the store!

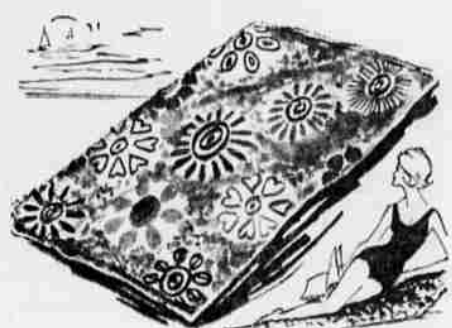

Once a year (during an off-week) our benevolent Store Manager suggests that I display my executive ability by running a red-hot sale... or else!

Believe it or not, I wait for this day and I plan! I plan day and night for 364 days. I make the best possible buys, hide the really good merchandise under the counters until the ad appears in the newspaper, bribe the sales people to be especially friendly during my sale!

I guarantee that you have never seen values like the ones in this event. Come in and see for yourself what a fantastic, exciting, super-gigantic sale I have planned! I am the best Assistant Store Manager in the world.

Someday I will be the Store Manager!
