VAN LEE'S

INTRODUCES A NEW CONCEPT OF MERCHANDISING!

• NO STAMPS! • NO COUPONS! • NO WEEKEND SALES! • NO LIMITS! • NO MAYHEM
JUST EVERYDAY LOW, LOW PRICES!

No Mayhem!

We do not commit mayhem at Van Lee's... everyday you pick up the newspaper and read where someone is murdering prices... slashing prices... cutting prices to the bone... or deep cutting prices.

Our Pledge...

Instead of mayhem we pledge to give you everyday low, low prices. No gimmicks! No coupons! No stamps! No limits on merchandise! No time limits on prices!

When?

Immediately! You will be able to find the largest selection of nationally advertised merchandise at everyday low, low prices in the city of Medford. The prices will not be down one day and then up the next. You will be able to consistently get everyday low prices!

Where?

At the same location where Van Lee's has operated the unique 88c store at 127 North Central, Medford, Ore. A landmark for outstanding values for over 3 years.

Why?

So many of our customers have repeatedly asked us to carry a larger selection and larger sizes. In response to these requests we are increasing our selection and price range.

How?

We will still continue to carry a complete selection of 88c merchandise, much of it at a still lower price. The reduction in price will be possible because of our increased purchasing power.
