

DeJohn Decisions Cleroux

Miami Beach — (UPI) — Mike DeJohn of Miami fended off the bull - rushing attack of Canadian heavyweight champion Bob Cleroux with a long-reaching defense Saturday night to win a unanimous 10-round decision at the Miami Beach auditorium.

A crowd of about 1,800 watched a battle of two distinct styles. The bout was televised nationally over ABC.

Cleroux, 24, charged in from a crouch, firing roundhouse rights and lefts as he came. DeJohn, the taller of the two, stood back and fired at Cleroux with a stiff left jab and sometimes a left hook or right cross.

At one point, DeJohn sidestepped the onrushing Cleroux and Cleroux wound up hanging on his belly on the ropes.

The surprise of the fight was that it went the full 10 rounds. Both fighters had promised a knockout and Cleroux came in a slight favorite.

There were no knockdowns and the only evidence of damage was a small cut on DeJohn's left cheekbone.

DeJohn, 30, weighed 205 pounds; Cleroux, sixth-ranked heavyweight contender, scaled 205½.

Judge Gus Jacobsen scored the match 96-95 for DeJohn. Judge Barry Pearlman gave it to DeJohn, 98-94, and Referee Billy Regan gave it to DeJohn, 99-94.

Young Brinson's score was 137.30. The winner in the division was Geoff Bennett, Spokane, at 170.1. Brinson is the son of Mrs. Pat Brinson, 643 Pennsylvania ave., Medford.

Also winning was Dick Griffith, 21, of Spokane, who has been living in Medford this summer and serving as diving instructor and life guard at Hawthorne Park pool. Griffith won his third consecutive senior men's one-meter diving title. He had a score of 235.65, far ahead of the runner-up.

On Friday night, Griffith was beaten by Doug Wise of Pasco, Wash., 273.70 to 271.50. Griffith led by 7.4 points going into the final dive, then Wise got a 25-point on a one and one-half double twist.

In Friday junior men's three-meter diving, Brinson was sixth out of six with 140.85. The event was won by Ray Clark, Colville, Wash., with 195.8.

Red Sox Fine Green; Conley Still Missing

Washington — (UPI) — Pumpsie Green was fined an estimated \$1,000 Saturday for "jumping" the Boston Red Sox and his vanished teammate, Gene Conley, faced a similar disciplinary slap when irate Manager Mike Higgins catches up with him.

Upon awakening Saturday in his Washington hotel room, Green received a severe dressing-down from Higgins for his mysterious disappearance from the club Thursday in New York. Green and Conley left the team bus during a traffic jam and neither showed up for Friday night's two-night doubleheader against the Washington Senators.

O'Toole, who pitched a one-hitter in his previous start, gave up a home run to Eddie Mathews in the first inning, and then settled down and shut out the Braves until the seventh, when he tired and yielded two more runs.

Joe Nuxhall relieved him and held the Braves scoreless during the last two innings.

Cincinnati, which had a nine-game streak stopped by Milwaukee Friday night, responded today with a potent attack against Bob Shaw.

After Lynch homered to tie the score in the second inning, Frank Robinson doubled and Coleman singled to put the Reds in the lead.

Three singles and a walk produced two more runs and knocked out Shaw in the third, and Lynch hit a two-run double in the fourth for the clincher.

This was the only day game played in the National League. A scheduled game between Houston and Chicago was rained out.

In night games, New York was at St. Louis, Pittsburgh at Philadelphia and San Francisco at Los Angeles.

Indianapolis, Leading American Association, Wins Doubleheader By United Press International

The good get better and the poor get poorer, and the Indianapolis Indians wouldn't have it any other way.

The Indians, leading the American Association pack for most of the season, Friday got the hitting, the pitching, and last place Dallas-Fort Worth for an adversary.

The result: a doubleheader sweep over the Rangers, 6-0 and 3-1.

Second-place Omaha whipped Oklahoma City 6-4, and Louisville tipped Denver, 2-1, in other action.

One Hit Enough To Beat Giants

Los Angeles — (UPI) — One hit by baseball's most powerful slugger, Frank Howard, had the San Francisco Giants talking to themselves Saturday as they looked ahead to last night's second game with the league-leading Los Angeles Dodgers.

Howard, rapidly becoming the Paul Bunyan of baseball, blasted a three-run homer to the 410-foot mark in centerfield Friday night with two men on the bases for a 3-1 win by the Dodgers, increasing their league lead to two games over the Giants.

That blow and a highly effective five-hit pitching performance by Johnny Podres were all the Dodgers needed. Only an unearned run kept Podres from recording a shut-out. But the win was his first complete game victory at the Dodgers' new stadium and gave him a 7-7 record.

"Podres pitched great ball," Giants manager Alvin Dark conceded, "and one swing beat us."

That swing by Howard brought an ovation from the crowd of 54,000. It was the biggest crowd at the new stadium.

Quinn won match Warwick, R. I. — (UPI) — Ronnie Quinn of West Warwick, R. I., defeated Steven Robbins of Portsmouth, N. H., 6-5, Friday to win the 36-hole final of the New England Amateur golf championships.

Committee Hears Talk Against Steelhead Bill

Astoria — (UPI) — The Legislative Interim Committee on Natural Resources Saturday heard testimony against the measure on November ballot to make steelhead a sports fish.

Most of the testimony at the morning meeting involved figures on steelhead catches over the past year and the volume of fish other than steelhead which would be lost to the Columbia river fisheries if the measure passes.

Robert Schoening of the Oregon Fish Commission said the state agency had taken no stand on the measure. Dan Allen of the governor's natural resource board said that body also had taken no stand.

Jim Sellers, secretary of the Columbia River Salmon and Tuna Packers Association, said if the measure passes, Columbia river fisheries will no longer be profitable for fishermen and the largest single game crowd in the majors this season although the Dodgers appeared before 55,705 at the Polo Grounds in a Memorial Day doubleheader.

ermen and canneries. The measure would provide that commercial fishing cease at anytime during the summer, that 10 per cent of the estimated steelhead run is taken by commercial fishermen and remain closed until Sept. 30.

WANT CHANGE Astoria — (UPI) — The Citizen's Committee for Game Conservation, a group of sportsmen in this area, continued its attempts to change State Game Commission regulations concerning elk hunting in Clatsop county here Friday.

A representative of the

group, Dick Thompson, appealed to members of the Legislative Interim Committee on Natural Resources meeting here, to consider the possibility of "a serious depletion of the elk population in this county over the next 10 year period."
