**Nepal University Names Trainees To High Positions**

Eugene-Four Nepalese who have been trained in Oregon have been named to high positions in the Nepal government. They will direct the operations of the new Tribhuvan university in Nepal.

According to word received at the University of Oregon, which directed an educational project in Nepal from 1954 to 1959, there has been a re-organization of a university senate and a university syndicate, which have replaced an interim Tribhuvan university commission, King Mahendra of Nepal has been named chancellor of the university.

**Senate Members**  
Named as members of the university senate are Yuda Nath Khanal, who was trained at the University of Oregon for university administration, and Dr. Deo Dibia Bhatt who was trained at Oregon State university in plant pathology.

Professor Jagat Bahadur Singh Burathok, who was trained at the University of Oregon for university administration, will become registrar of the new university.

Professor Phanindra Prasad, who was trained at the University of Oregon and who has been head of the chemistry department of Tri-Chandra college, the liberal arts college of the university, will become principal of the college.

Rama Prasad Manandhar, Nepalese secretary of education at the time of the origin of the Oregon contract, was also named to the university senate.

**Treasurer Named**  
Sarada Upadhyaya, director of public instruction during the time of the Oregon contract, has become university treasurer.

Another governmental change was the naming of Rishkeksh Shah, who has been finance minister, to the post of foreign minister and head of the delegation to the United Nations. He had served previously on the UN delegation. Dr. Hugh Wood, University of Oregon professor of education, who spent the greater part of the 1950's in Nepal, and who recently returned from a four-months study trip to Nepal under the auspices of UNESCO, said the governmental appointments should result in an orderly development of Tribhuvan university. The University of Oregon educational project to Nepal was sponsored by the United States state department and the International Cultural Administration.
