Winning Coaches Praise Exhibition Game Standouts

Amherst, Mass. (UPI)—Coach Marty Feldman of the Oakland Raiders today credited the condition of the team with the weekend's 21-20 win over Boston in a contest at Providence, R.I.

He said that Boston was a tired club in the fourth quarter while the Raiders continued to bang away.

Feldman promised to unveil his offensive backfield, a defensive back and Dan Birdwell, a defensive end, in this week's rematch against Dallas Saturday night at Midland, Tex.

After viewing films of the game, coach Bob Waterfield singled out Marlin McKeever, Larry Stephens, Lamar Lundy and rookie Joe Carollo for special praise.

Other good news cheered the Ram camp Monday as hold-out fullback Joe Marconi, who finally reported over the weekend, appeared to be in fine physical shape and was quickly rounding into playing condition.

Marconi, a former West Virginia star, had demanded to be traded after the 1962 season and refused to turn up in camp.

The Rams travel to Portland this weekend for an exhibition tussle with the Minnesota Vikings.

San Diego, Calif. (UPI)—San Diego Charger coach Sid Gillman said Monday defensive tackle Ernie Ladd and halfback Paul Lowe will see action against the Denver Broncos Saturday night.

Obviously pleased with his club's 17-0 triumph over the Dallas Texans last Saturday, Gillman heaped praise on the Chargers, who extended San Diego's pre-season winning streak to nine games.

Gillman said the Chargers suffered only one injury in the game against Dallas. Center Wayne Frazier reported a sore knee, but was expected to be on the playing roster by Saturday.

Moraga, Calif. (UPI)—Don McIlhenny, a tough veteran halfback with seven years experience in the National Football League, has hung up his spikes.

He told the San Francisco Forty Niner management Monday that he wanted to devote full time to his insurance business. He previously played for Detroit, Green Bay and Dallas after his graduation from Southern Methodist University.

The Forty Niners promptly boosted their roster back to 48 by signing halfback Ted Woods of Colorado. He was the team's fifth draft choice, but signed with Vancouver of the Canadian League. He was released last week by Vancouver, but the Forty Niners still hope the former national 400 meters college champ can make it as a flanker back.

The Forty Niners planned to resume twice-a-day sessions today in preparation for Sunday's battle in San Francisco with the New York Giants.

Team officials said that center Frank Morse, hurt last Saturday against Minnesota, would definitely miss the Giant tilt.

Coach Red Hickey viewed moves of last week's squeaker over the Vikings and announced that the Forty Niners looked better than he first thought. He warned the league that Minnesota was much tougher this year.

Smith Homer Leads Indianapolis to Win Over Omaha in AA

By Former Press International

Former major league Charley Smith last night in the 11th inning to boom the Indianapolis Indians to a 10-8 win over Omaha.

The outcome shaved the Dodgers 10 and 2 games behind the Indians, pace-setters in the American association.

Dallas-Fort Worth edged visiting Louisville, 5-4, with two runs in the ninth inning. In an exhibition game, Oklahoma City defeated the National League Houston Colts 2-1.

DUPAS GETS BOUT

Dumont, Tex. (UPI)—Veteran Ralph Dupas of New Orleans has been matched with Bill Compton of Oklahoma City for a 10-round bout here Aug. 21. In his last start, Dupas lost to welterweight champion Emile Griffith at Las Vegas.

EP Gridders Will Meet

Eagle Point—Head Coach Vern Steward has set Monday, Aug. 20, as meeting date for all boys planning to turn out for football this fall at Eagle Point High school.

The meeting is set for 7 p.m. at the school. Boys who have not gone to their dentists to have teeth and mouth protectors made should take care of that matter now, Steward said.

Boys are advised to get a slip from Coach Steward before calling on their dentists. Dentists in the county are fabricating the mouthpieces as a public service.

Doug Harshbarger and Ken Vannice again will assist Steward in coaching the grid squad.

Arnold Palmer Wins American

Akron, Ohio (UPI)—Arnold Palmer, golf's golden boy, has his follow pro's again, but his fatter pros won't have to worry about it for the next five weeks.

"I've decided to lay off tournaments until Seattle five weeks from now," Palmer said Monday.

Palmer, "with my putter doing magic again," he won the \$9,000 top money in the \$50,000 American Golf Classic to run his 1962 earnings to \$80,198.

He had 20 putts Sunday as he matched Firestone's par 70 with four bogeys and four birdies. That gave him a total of 116 putts for the 72 holes as he wound up with a total of 276, four-under-par for the 7,165-yard course.

That 276 was five strokes better than runner-up Mason Rudolph, who had a final round 31-35-66 for a total of 281.

Players of the Metro squad in the Shrine all-star football game last week end owe a vote of thanks and bouquets of Portland poses to the sportswriters of the Oregon metropolis. They did their usual fine job of building up State as the big favorite and Metro as the lowly underdog. This certainly was one of the factors in the Metropolitan victory in the classic contest. It was apparent from the way the game went that the underdog psychology paid off for Metro.

INFORMAL WORK

Rumors have come to us of another likely factor. The reports are that groups of the Metro players got together for informal work, with coaches on hand, a couple of weeks before formal practices began, giving them a jump on the Staters from widely separated areas of Oregon.

METRO TASK EASIER

It seems to us that the Metro team more often would rate the favored role in the Shrine game. With the schools
