Four of the visiting teams for the men's state softball tournament at White City this week will be no strangers to Memorial field. Stoddard-Frank Chev. of Albany, Eugene McCulloch Chain Wagon and Randall's Chuck Wagon of Portland all broke even in four-game series with John Wheeler Logging of Medford at the Veterans Administration dormitory. Wheelers beat Hal's Sport shop of Klamath Falls.

PARENTS HERE
Ron Davidson, pitcher for Lake Grove's entry in the state softball tournament, is the son of Mr. and Mrs. Walt Davidson, who own the Grandview market here.

NAMED ALL-STAR
Ken Jensen, ex-Medford High school catcher and University of Oregon varsity reserve last spring, was named to the all-star squad of the Oregon State Baseball league. He played for the Oregon Ducks of Eugene.

WORKOUTS PLEASE
Jack Woodward, Phoenix high senior who is head coach for the East for the Aug. 25 Class A-2 and B Shrine all-star grid game at Pendleton, apparently was pleased with the opening workout of his squad at La Grande. He reported that his

squad looked good in the morning and "even better" in the afternoon.

Jack employed hard contact drill right at the start. Woodward has said he will send us word concerning the four Rogue league gridders on his squad.

PRIDE IN TEAM
Coach Don Miller expressed real pride in his Central Point Crater Cubs baseball team which placed third in the Oregon Junior association tournament at Blue River last week end. He reported that the squad was the best behaved one he has taken to the tournament.

ROSEBURG SUPPORTS
Claude (Shorty) Miles, staunch supporter of American Legion Junior baseball here and advocate of a plan (the Legion plan) for a small ball park which would help its cause, has figures showing the strong hometown interest in the state championship Roseburg team. In 22 games at Roseburg the Lockwood Motors team drew a total attendance of 26,581, or an average of 1,207.

Miles pointed to the fact that the Medford club defeated Roseburg in three out of four non-league games in 1961 and again this season. He expressed belief that his Medford team could have the potential of talent and had the Cokes had a decent place to practice, the local team could have been the state champion instead of Lockwood.

ORTEGA, FOSMIRE SIGN
Boston—UPI—Gasper Ortega of Mexico and Bob Fosmire of Boston have been matched for a 10-round nationally televised bout at the Boston Arena Sept. 22. Ortega has won 14 straight fights.

Sluggish Frank Robinson Spurs Hot-Running Cincinnati Reds

By MILTON RICHMAN
UPI Sports Writer

Elated Fred Hutchinson had one word for Frank Robinson today: "Fantastic!"

And since a word to the wise is sufficient, one Cincinnati hotel already has started accepting World Series reservations.

Too premature? Don't be so sure.

The revitalized Reds, written off by everyone a month ago, have won 23 of their last 31 games. They're within 5½ games of the league-leading Los Angeles Dodgers and only three in back of the second-place San Francisco Giants.

Robinson is the man behind the stick.

He drove in four runs with his 30th and 31st home runs Thursday night in a 7-1 victory over the Milwaukee Braves. His first homer with two on off lower Lew Burdette climaxed a six-run fifth inning rally and his second one at the expense of rookie Denny McLester in the eighth was his 15th in the last 22 games.

Lead League in Hitting
Along with everything else, Robinson leads the National league in hitting with a .344 average and he's second in the circuit with 109 runs batted in.

Jim Maloney registered Thursday night's victory for Cincinnati, the only run off him coming on Lee Maye's second inning homer.

The Dodgers snapped their five-game losing streak and upped their lead to 2½ games with a 7-3 triumph over the Pittsburgh Pirates after the Chicago Cubs blanked the Giants, 6-0. The St. Louis Cardinals beat the Houston Astros, 3-1, in the only other NL contest.

In the American league, the Minnesota Twins defeated the New York Yankees, 9-8, in 10 innings. The Chicago White Sox clipped the Cleveland Indians, 11-6 and the Kansas City A's scored their 13th consecutive victory over the Washington Senators, 4-2.

Wills Stole Two
Maury Wills and Doug Camilli formed a two-man wrecking crew for the Dodgers against the Pirates.

Wills stole two bases, increasing his total to 62, collected three singles, scored one run and drove in another. Camilli, making his first start since June 24, knocked in four runs with a homer, single and sacrifice fly.

Stan Williams, tagged for three runs in the first inning, settled down quickly to gain his 12th victory although Ron Perranoski relieved him in the eighth. Joe Gibbon was the loser.

Don Cardwell stopped the Giants on six hits while the Cubs hopped on loser Billy Pierce and two relievers for 15 safeties, including three apiece by Ken Hubbs, George Altman and Dick Bertell. In addition to a triple and two singles, Hubbs appeared in his 59th consecutive game at second base without an error to add to the NL record he set Wednesday.

Jackson Won 10th

Larry Jackson posted his 10th triumph for the Cardinals with a five-hitter over the Colts. Bill White paced the Cards' six-hit attack with three singles and scored twice. Dick Farrell, ejected from the game in the eighth for disputing a call by rookie umpire Lee Weyer, suffered his 15th setback.

Bernie Allen's 10th inning single earned the Twins a split of their four-game series with the Yankees after Rich Rollins' ninth inning single tied the score.

Prior to Rollins' blow, the

Yanks had taken an 8-7 lead in the top of the ninth on Bobby Richardson's grand slam homer off starter Dick Stigman. Bob Allison and Cleve Boyer also hit homers.

Big Frank Sullivan, who hurled the 10th for the Twins, gained his third win without a loss while Marshall Bridges, the Yankees' fifth pitcher, absorbed his first loss of the season after six victories. The loss cut the Yanks' lead to 5½ games over the idle, second-place Los Angeles Angels.

White Sox Keyed Grant
The White Sox keyed Jim (Mudcat) Grant during a seven-run rally in the first inning and that was enough to give Eddie Fisher his fifth victory even though Dean Stone had to relieve him in the ninth.

Fisher allowed 12 hits, including solo homers by Jim Mahoney, Jerry Kindall and

Ly Cline. Charlie Maxwell belted a two-run homer for the White Sox in the sixth off reliever Rubin Gomez.

Ed Rakow won his 11th game for the A's with a four-hitter over the Senators. Kansas City broke a 2-2 tie in the fifth with two runs on a triple by Ed Charles, Jerry Lumpe's double and a single by George Alusk. Claude Osteen suffered his 14th loss compared with 11 victories.

Major, Minor Loop Finals Scheduled In County Softball

Butte Falls will oppose Sam Jennings company at 6:45 o'clock and Grants Pass Elks will encounter Jay Allen Cars at 8:15 o'clock in respective Minor and Major league Jackson County Softball association playoff finals at Cheney field tonight.

Boston—UPI—The Boston Patriots and New York Titans of the American Football league have cancelled their scheduled exhibition game at Atlanta on Aug. 25 because of poor attendance in the Georgia City. Bill Sullivan, president of the Patriots, said Sunday that he and Titan president Harry Wismer were considering another site for the game, preferably in New England or New York state. Two previous A.F.L. exhibition games in Atlanta have drawn a total of only 20,000 persons.

McQuerry Coach at Butte Falls

Butte Falls Butte Falls High school athletics will this year be under the helm of Connie McQuerry, who moves up from an assistant's post.

When school opens on Aug. 27, McQuerry will start his second school year at Butte Falls. He previously coached at Osage, Okla. McQuerry is a grad of Central State college in Oklahoma.

The new head coach replaces Dick Pepple who has taken a job at Elmira Grade school. Pepple follows George Bray from Butte Falls to Elmira. Bray was superintendent of schools here for a year after a long coaching career at Talent.

Opening date of football practice in Oregon is Aug. 27. McQuerry indicated that the Loggers would not be issued equipment or have physical exams ahead of that date.

EMERGING
Newport, R.I.—UPI—Columbia, the grey-haired beauty who's at her best when the chips are down, appears to be emerging as the star of America's Cup selection trials off Newport this week. Columbia, the 1958 defender against the British yacht Scorpene, and Weatherly each have won twice while the luckless Easterner and newcomer Neferiti have been beaten twice in Neferiti's case, quite soundly.

Carolyn House Swim Champ

Chicago—UPI—Carolyn House, a pretty platinum blond teen-ager from Los Angeles, already has achieved one ambition, but she'll have to wait a couple of days to get another.

Miss House, a 16-year-old high school senior, grabbed the AAU senior women's swimming championship Thursday for the third straight year.

She was timed in 18:44.0 for the 30 laps of the 50-meter Olympic pool, clipping more than 18 seconds off the old mark.

The delay in her other ambition to retain her AAU titles a 200 and 400 meters, must come because no competition will be scheduled for her until Saturday when the 400 will go and Sunday with the 200.

Something you should think about if you're about to buy a truck:

If all trucks were built the same way, cost the same to keep up, were worth the same at trade-in... then probably the price tag would be your only concern. It can't be, of course, because some trucks have more quality than others. And marks of quality are the real keys to low cost.

Chevrolet trucks, for example, have double-wall construction, which gives bodies and cabs more strength. Cabs are insulated against heat, cold and noise. A big part of road shock, which shortens truck life, is damped out by Chevrolet's suspension system; it also makes riding in the truck a pleasure. Pickup bodies and cabs are separated to eliminate stress between them.

Value such as this has induced more people to invest in Chevrolet trucks every year since 1937.

This can be a good time to buy a modern new Chevrolet truck

Late summer traditionally is the season for all-around savings on a new Chevrolet truck... selection is still good... deliveries are prompt... and Chevrolet dealers are doubly anxious to put you into a new vehicle in order to make way for next year's models. Coupled with the efficient performance a new Chevrolet truck will give you, it seems evident that you couldn't buy at a better time.

Come in and take full advantage of it!
