Buck Graves Says:
"Bring Your Trucks and
Trailers—Hurry Out Today!"

Gray's just bought the complete inventory of Star Furniture of Eugene, Ore. This huge stock was loaded on trucks and brought directly to our Central Point store. I really got the buys when Star's quit! We haven't nearly enough room to store it all here... so it's all going on sale of fabulous price reductions. Our present stocks are reduced just as much, so you have the biggest selection of sale merchandise in the history of Gray's Furniture. Don't be sorry you missed it... bring the kids and hurry out!
