ARE YOU SLEEPING ALL RIGHT?
If not, it may be because of faulty mattress and springs which is a common cause of back ache, lack of rest and irritability.
If your bed is "not so good" it may have a "bad" spring trading value... so let's talk about it!
Come see and buy a good mattress and spring and enjoy many good nights of sleeping instead of "fighting" the worn-out "not-so-good" bed.
We also sell Bedroom Sets, Chests of Drawers, Book Beds, Living Room Sets, 4 piece Beds, Baby Crib, Pillows and many other items too numerous to mention.
We trade for any marketable item from the valleys.
If you're not buying from us now, we're both losing money.
Call to us for all your needs, no sleep at it!
