

# EMERALDS SPILL TRI-CITY IN NWL FRACAS AT VA PARK

Memorial field, White City - Eugene Emeralds overcame a four-run deficit here last night to sidetrack the second half pennant ambitions of the Tri-City Braves in the Northwest Baseball League.

The Emeralds, riding in fifth place in the circuit, pulled on top of the Braves with a four-run splash in the seventh frame and held on for a 9 to 8 victory before a disappointingly small crowd estimated at around 900 fans.

Bill Dixon, with four safe blows in five times up and Dick Dietz with three for three, spurred a 14-hit Eugene attack. Dietz batted in a run with each hit. Dixon, as did Don Pope, had two RBIs. Dixon tripled twice and doubled once in a game that had eight blows for extra sacks.

**McCall Homers**

Tri-City, with a pair of three-run innings helped by Brian McCall's two-run inside the park home run, had a 7 to 3 margin at the end of 5 1/2 frames. Eugene narrowed the difference with a single marker in the top of the sixth panel then flooded the plate in the seventh.

Braves' ace fireman, Nottle for four hits, three for extra sacks. Jose Calero and Julio Linares tripled. Dixon two-bagger and Dietz came through with a one-base on balls figured in the scoring.

**9 to 7 Spread**

The seventh gave the Emeralds an 8 to 7 lead. They made it 9 to 7 when Cockrell was hit by a pitch off second TC reliever Joe Puleo and Dixon clubbed a three-base blast.

But the Emeralds, who had their shaky moments, were not out of the woods. Bob Rudd started of the top of the ninth for Tri-City with a single. McCall forced him out but Juan Guzman followed with a safety. After Gary Johnson (died out, Chico Telleria, on the verge of having a slugging streak broken, hit to put McCall across the plate. It was the seventh straight game in which Telleria has hit safely.

A walk to Spencer Scott filled the bases but Chico Heron flied out to end the game.

Eugene nabbed a 1 to 0 lead in the tangle in the second inning on a Dixon triple and Dietz single. TC came back with three third-inning scores on a hit by Featherstone, back to back doubles by McCall and Guzman, a sacrifice by Johnson and a groundout by Telleria.

**Run Matched**

A fourth inning Tri-City counter was on a Heron hit, an error when second baseman Linares stopped the ball but could not find it, a sacrifice by Artie Wilson and a wild pitch by Arnold. The Emeralds matched this run in the bottom of the fourth in hits by Cockrell and Dietz and groundout by Linares.

Margin was cut to 4 to 3 in the fifth inning on a single by Pope, a sacrifice by Arnold and a hit by Dore. In the other game, Wenatchee topped Lewiston 11-4.

The pitching victory went to Frank Linzy, who replaced Alton Arnold at the start of the seventh canto. Ed Nottle, who relieved Lee Featherstone in the sixth inning, took the loss.

Eugene garnered its sixth inning tally on two bases on balls and singles by Dixon and Pope with Pope's blow scoring Wally Cockrell. In the seventh the Emeralds pounded on the

Tri-City and Salem can't seem to make up their minds which one wants to take the second half pennant in the Northwest league.

Both last Monday night and the pennant race remains deadlocked between the two teams for the top spot. Eugene outlasted Tri-City 9-8, while Yakima took Salem 4-2 in 10 innings. In the other game, Wenatchee topped Lewiston 11-4.

Catcher Wayne Jinske drove in all four Yakima runs with a single and a double. His double in the 10th rebuffed Rafael Gomez and Kerry Buckner with the eventual winning runs.

Bruce Brubaker went the distance and fanned 14 for Yakima.

Wenatchee got six runs in the first and added four more in the fourth to run away from Lewiston. Ralph Holding had a two-run homer in the first and added a two-run single in the fourth. Phil Borders drove in two in the big first inning with a double.

**Doug Sanders In No. 7 Spot**

Dunedin, Fla. - (UPI) - Two consecutive PGA tournament victories have boosted Doug Sanders to the No. 7 spot in golf's money-winning derby.

Sanders, who ranked third in the PGA standings in 1961, earned \$5,300 by winning the Oklahoma City Open tournament Sunday and increased his season's earnings to \$33,467.29. The previous week Sanders won the St. Paul Open.

Arnold Palmer, in first place with a record \$80,198.33, passed up the tournament trail again last week, but runnerup Gene Littler increased his bankroll by \$1,100 in the Oklahoma City tournament. His second-place total now is \$62,270.82.

Following Littler in the unofficial standings were Bill Casper Jr., with \$52,438.44; Jack Nicklaus, \$52,098.95; Gary Player, \$44,338.34; and Bob Goalby, \$39,620.81.

After Sanders in the top 10 came Bob Nichols, with \$32,187.17; Phil Rodgers, \$30,841.90; and Bruce Crampton of Australia, \$29,187.43.

**MATUSZAK JOINS BILLS**

East Aurora, N.Y. - (UPI) - Veteran National Football League linebacker Marv Matuszak, recently cut by the Baltimore Colts, has been signed by the American league Buffalo Bills. To make room for Matuszak, who saw previous service with San Francisco, Green Bay and Pittsburgh in the NFL, the Bills placed linebacker Don Caraway on waivers along with guard Jim LeCompte.

**Closely-Matched Field Ready for Hambletonian**

Du Quoin, Ill. - (UPI) - A closely-matched field of 15 trotters and the luck of the draw had some observers speculating today that it may take four heats to decide Wednesday's 37th edition of the Hambletonian.

The soundness of some of the top entries also figured in the final picture of the trotting classic which was dotted with "ifs."

Three of the fastest trotters in the race unlikely would win in the second tier in the Sunday drawing for post positions. Among them, favored A.C.'s Viking may have the best chance to find racing form fast.

"The Viking" will be right behind Sprite Rodney, a fast starter who is the No. 5 post in the front row. Sprite Rodney has turned in the fastest clocking of any starter this year, a 2:01 1/5 mark at Springfield, Ill.

Spry Rodney, a two best of three heat winner over Sprite Rodney at Springfield, seems less fortunate from her No. 12 spot. She is behind Double

**Captain Newton Is Named To Hospital**

Capt. John K. Newton, son of Mr. and Mrs. C. H. Newton, 1635 Redwood dr., recently joined the staff of the obstetrics-gynecology service at Walter Reed General hospital, Washington, D.C.

A member of the Army Medical corps, he was assigned to Walter Reed following three years of service in Germany.

Captain Newton lives with his wife and three children in Silver Springs, Md. He is a graduate of Talent High school, the University of Oregon, and the University of Oregon Medical school.

**RE-OPENED CAMP**

West Jordan, Utah - (UPI) - Gene Fullmer, the middleweight co-champion, has reopened his training camp and resumed practice sessions Monday for a title defense against Dick Tiger. Fullmer, the NBA 160-pound champ, took a brief break from sparring when the date for the Tiger bout was postponed to Oct. 16. He hasn't defended his title since last December when he stopped the late Benny Kid Paret.

**LEAVING FOR LONDON**

New York - (UPI) - Former middleweight and welterweight champion Sugar Ray Robinson completed the American phase of his training today for his Sept. 25 London fight with Terry Downs of England. The 42-year-old Robinson sails for England Wednesday and will finish his training in London.

**WOODWARD PRAISED**

Toughness of the East defense was pointed up by Gerer when he said, "They (the West) couldn't move the ball and it demoralized them." The halfback asserted that Woodward did a whole of a job in prepping East defenses. "He had them pegged so they couldn't even move."

Gerer also told of the closeness developed among East players who became almost like brothers. "We lived together all week and did everything as a team."

An all-state basketball player and a trackman, as well as footballer at Eagle Point, he plans to study law. He will go out for football at Oregon.

# MEDFORD MAIL TRIBUNE SPORTS

## Fanfare

By DICK JEWETT  
Mail Tribune Sports Editor

"I'd like to have that squad to go through the season with. They'd be hard to beat..."

So declared Jack Woodward, Phoenix high school football mentor, concerning the East team which beat the West last Saturday night in the Shrine high school all-star football game at Pendleton. Woodward head coached East to triumph.

The Phoenix tutor was told by Shriners following the game that the East squad was the best they'd seen in the 10-year history of the game.

**TALENT, MORALE**

Woodward summed up the victory on the basis of talent, morale and really good performance by all hands. He described the squad as a "real good bunch of kids" with a lot of talent. The coach said he felt the fact that the players lived together in a dormitory at Eastern Oregon college at LaGrande developed "a real great squad spirit."

This effect of togetherness on morale was also pointed out by the four East players from the Rogue valley. West players lived in a hotel at Pendleton.

Woodward commented that the East just had more than the West. He mentioned that the training and the game provided a real great experience for the players. "They are top kids and not just in athletics," he pointed out.

**DREAM CAME TRUE**

The mother of one of the players from southern Oregon saw a dream come true in thrilling fashion. Mrs. Don Gerer, Eagle Point, remarked that she had waited four years to see her son, Steve, and Mike Consruck, Phoenix, play together on the same team. Halfback Steve was named the most valuable player in the game and fullback Mike was designated the East's outstanding back.

**LINE GIVEN CREDIT**

Gerer, who plans to enter University of Oregon this fall, described the game as "really something, really great." He gave the line the credit for being the factor which turned the game in favor of the East. The line, he remarked, was really tremendous and opened up holes big enough for a truck to go through. He particularly mentioned Mike Shircliff, Myrtle Creek, and Keith Webber, Central Linn. Gerer said that shaking Don Fisher, loose, on weak side plays was the doing of Paul Elliott, St. Mary's end.

**FUNCTIONED WELL**

Terry Hanson, Phoenix, who alternated at center on offense, stated, "we functioned pretty well for being there just two weeks..." It was surprising for (being together) such a short time.

He remarked, also, "We wanted that one."

Hanson, too, pointed out that the fact everyone got to play in the first half kept the spirits up. He expressed the opinion that there was not much spirit on the West team.

Terry plans to enroll at Southern Oregon college. He said he doesn't think he'll go out for football this year. He spoke of plans to major in math or science in preparation for a career in teaching or architecture.

**PAYNE NOT REACHED**

Effort was made yesterday to contact Stan Payne at Prospect for his comments on the game but he was not reached. Payne was an end on the West squad. The Payne family may be in the process of moving. Stan's father, Duane, has taken the post of school superintendent at Jordan Valley.

**BELLEVEUE VS. MEDFORD**

It was Medford against Bellevue, Wash., on Friday at Tacoma, Wash., in both the championship and second flights of the Pacific Northwest Junior Boys Golf tournament. While Rob Ashman, Bellevue, downed Doug Olson, Medford, 2 and 1 in the title flight, Jim Woods, Medford, won the second flight with a 20-hole nod over Bill Hay, Bellevue.

# VISITORS QUALIFY WEDNESDAY IN SO GOLF TOURNEY AT RVCC

Rogue Valley Country club greets its annual contingent of guests on Wednesday.

The occasion is qualifying rounds for the 34th annual Southern Oregon Golf championships at the popular Medford links.

Qualifying tomorrow, a prelude to five days of match play on Rogue Valley's tees, fairways and greens, will be a daylong operation. Some 270 to 280 men and women will make 18-hole tours and all 27 holes will be in use.

First foursome of visiting divoters is to tee off at 5:30 a.m. and the last group is to go off at 2:03 p.m. Men's and women's division entries will play their rounds on No. 1 course and senior qualifiers will tour on No. 2.

**Field of 432**

Qualification of local participants in men's and women's flights was to be wrapped up today. The locals seeking championship flight spots were on the links. Rogue Valley players not trying for title brackets completed their preliminary rounds on Monday.

A field of 432 entrants is lined up for the Labor day holidays classic. Oregon's biggest tournament in numbers. The field includes 272 men, 112 women and 48 senior men. This record entry compares to the 416 total last year. Tourney spots were filled up early and a waiting list established for possible dropouts.

**DEFENDERS IN THE TOURNEY**

Those who took the 1961 diamonds are June Robinson, Albany, and Stewart Schroeder and Carl Schmidt, of the home links, in the women's, men's and senior men's divisions respectively. It was indicated that they would take their No. 2 seeded places in the titular brackets.

**Matches Thursday**

Sixty-four in the men's division and 16 each in the women's and senior men's, will compete in championship flights.

Match play begins on Thursday and championship finals will be on Monday, Sept. 3.

Committeemen reported all in readiness for the tourney. They said that the public is welcome and invited to join the galleries of the tournament and in that way help make the tourney a success.

In practice play on Sunday Miss Robinson played even women's par with a 75. Yesterday, Ed Kovacovich, Eureka, Calif., had a 70, two below men's par. He was four under men's par coming to the last hole and double bogied it. Harvey Woods Jr., Ashland and Rogue Valley, had a 70 on Sunday. Schmidt shot a 71 on Sunday and Jim Ellington, Lodi, Calif., duplicated that count yesterday.
