Fowler Horses Place in Regional Fairs Recently

Milly's Pride, a registered quarter horse mare owned by Mr. and Mrs. Lowell Fowler, 5747 South Pacific highway, Medford, placed as grand champion mare in the Josephine County Fair horse show last week. The mare also took a first place.

Two colts, Pat, a yearling quarter horse stallion, took second place in the class, Colts of 1961, and Rondo Lo, a 2-year-old filly quarter-horse also took a second place.

Earlier in August at the Siskiyou County fair, five of the Fowlers' quarter horses placed in competition in the halter division. Pat won fourth place in the yearling stallion class; Trends Twister was fourth in the five-year-old and older event; Rondo Lo took fifth in the two-year old mare class, and Milly's Pride was in sixth place for mares four years old and older.

First Place Trophy

The two-year-old filly, Rondo Lo, and the yearling stallion, Pat, won a trophy for first place in the "produce of dam class," and in the dinner bell class for mares and colts.

They also showed Raider Mount, a quarter horse stallion owned by O. Z. Parker of Jacksonville, which took a first and a grand championship at Grants Pass, and was third in the Siskiyou County fair in the three-year-old event.

Mr. and Mrs. Bob Miller and son, Bob Jr., who raise horses on a ranch on Jenny creek, Greensprings, also attended the Siskiyou County fair. They showed an Appaloosa, Copper Coin, in the yearling class, and the colt took second place. The younger Miller rode Del Rio Duke to win the keyhole race.

Bob Brdecko of the Miller ranch took fourth place at the Siskiyou fair in barrel racing on Top Pepper. The couple also showed their gelding, Tourniquet, which won a first and reserve championship.

KOGAP
773-6601
Extension 46
Our Goal Is Full Utilization of Timber Crop

MULTI-BARK'S ability to conserve moisture and control weeds can be a great help during the hot summer months. Just 2 or 3 inches of MULTI-BARK around your shrubs and plants will prevent the sun from baking and drying out the soil. MULTI-BARK has a water holding capacity of 266% of its own weight, (as reported by Gooch Laboratory Ltd., L. A., Calif.) this means extra savings to you by reducing the irrigation requirements. MULTI-BARK is clean and easy to apply and blends well with the surrounding landscape. Don't wait any longer, order your load of MULTI-BARK. Available in 3 grades, Fine, Medium & Coarse, it will make your landscaping a pleasure instead of a chore.

Please order a day or two in advance so we can make the delivery at your convenience, and don't forget we have men and equipment on duty to load your pickups or trailers from 8 to 4:30 every day except Sundays and holidays. We give S&H Green Stamps with all purchases.
