

EX-RAIDER STAR - Jim McAbee, one-time pass catching ace of the Southern Oregon college football team, will return to Fuller Field Saturday night when the Red Raider alumni tangle with this year's varsity in the second annual game. McAbee, present head basketball and assistant football coach at Brookings, caught 23 passes for 369 yards his junior year at SOC in 1958. In 1959, his senior year, snared 20 aerials for 210 yards. He is an ex-Talent high athlete. Game time Saturday is 8 p.m.

Red Raider Eleven To Oppose Alumni

Ashland - The letterman-stocked Southern Oregon college football team will be out after its second straight conquest of the SOC alumni this Saturday night when the two teams vie in a pre-season contest under the lights on Fuller Field here.

Game time for the game is 8 p.m.

The Red Raider alumni are reported to have revenge in mind for this year's battle, especially after absorbing a 20-6 defeat last season.

But Coach Lou Mauer's gridders will be up against what Raider chief Al Akins feels is his "best team here in my eight years at Southern Oregon."

With no less than 21 lettermen forming the nucleus for this year's team, Akins has good reason to feel this way about his club.

Only Two Lost

His potent offensive unit lost only two members, both linemen, from the 1961 squad. These two spots, however, seemed filled by freshman guard Darrell Seven, 230-pound former North Bend high star who has just completed a hitch in the Navy, plus tackle Neil Green, a 215-

pound senior who laid out last season after lettering at center in 1960.

Doyle Bransom, ex-Jacksonville and Kern Bennett, ex-Crater, seem set again at halfbacks while big Al Barnes, 205 pound senior also from Crater is ready to go at fullback.

The quarterback post will be handled by junior passing star, Doug Olson, who gained all-conference honors as a sophomore. He has both Dave Hughes and Howard Hartman as aerial targets again this year, besides the potent running of Bennett, Bransom and Barnes to back him up.

Otherwise, the Raider offensive line will include sophomore Glen Moses at one tackle, another sophomore, Larry Ryerson at one guard, and junior George Moses at center.

Akins' charges ran through another two drills Thursday and was full off practice sessions today.

DUCK CAPTAINS

Eugene - (UPI) - Tackles Steve Barnett and Ron Snidow were elected to co-captains of the Oregon football team Thursday.

SPORTS

SPORTSCASTS

Radio stations KYJC and KMED will broadcast the Medford-The Dalles High school football game at 8 o'clock tonight.

MUST UP REQUIREMENTS

Berkeley, Calif. - (UPI) - Oregon and Oregon State can join the Big Six if and when their scholastic requirements are raised, according to University of California Faculty Representative Robley Williams.

Dave Hill Nabs Lead at Seattle

Seattle - (UPI) - The rainy Seattle Open headed into its second 18-hole session today with predicted morning showers expected to keep everything damp except the scores.

Dave Hill, a 25-year-old from Jackson, Mich., proved to be the best mudder of the opening round, posting a six-under 64 despite hooking drives into the trees on the 9th and 12th holes.

Medford Tornadoes Vie Against Indians On The Dalles Turf

Up The Dalles way this week the theme has been, "Medford can be beaten."

Medford high's Black Tornado headed north today intent on showing that this is a different year with a different team and that the past is not always a reliable measure of the future.

"... They will be tough. That's tradition down Medford way. But The Dalles can be tougher."

So wrote Rod Geier, sports editor of The Dalles Chronicle. No doubt, coaches at the north central Oregon high school have been trying to convince their players with this theme.

Medford's Black Tornado football aggregation storms into The Dalles for a meeting with the Indians at 8 o'clock tonight.

Films Viewed

Geier made his comment after seeing films of last year's fracas between the two schools at Medford. Medford mentor Fred Spiegelberg sent the movies to Coach Keith Tucker at The Dalles as a courtesy.

The sports writer said that he agreed with Tucker that the "southern state grid giant" could be humbled and that the Indian team could be a giant killer.

Said Geier further: "From the film, the Tornado's strength appeared to be its relentless pursuit of a ball carrier during scrimmages and kickoffs and down line blocking with pronounced double teaming, setting up runs up the middle."

Defense Said Factor

"This coupled with the Indians missing several defensive tackles and not hitting the holes totaled a 35-12 win for the Medfordites last season."

"But even before the film was shown, Tucker said... he would work on defense and tackling. Defense was a major factor in last year's Medford win, as we saw it."

With this reference to last year's game, the Black Tornado tonight could come with this answer: "Bygones are bygones and this is 1962. It could make a difference."

Medford Coach Fred Spiegelberg said last night, before the Tornadoes underwent drill beneath the lights here that right halfback Mike Barnes and right guard Bill Buettner will not play tonight. Barnes broke his nose in practice and Buettner hurt his neck.

Ron Edmonds will get the starting call at halfback and Jim Snodgrass at the guard.

Medford's probable starters are:

OFFENSE—Gibb Mitchell and Lloyd Hammons, ends; Jeff Hardrath and Gary Miller, tackles; Jerry Fann and Jim Snodgrass, guards; Darryl Stockton, center; Mike Neathamer or Dan Miles, quarterback; Jack Lowery, left halfback; Ron Edmonds, right halfback; Mike Watkins or Frank Van Pelt, fullback.

DEFENSE—Roy Shaw or Hammons, ends; Hardrath and Larry Sanders, tackles; Chris Brewer and Snodgrass, guards; Gary Griffin and Watkins, linebacks; Lowery, left safety; Miles, middle safety; Neathamer, right safety.

Roseburg Bills Hardtop Races

Roseburg - Southern Oregon championship hardtop races will be held here on Saturday night.

Time trials are billed for 7:30 p.m.

A 75-lap main event is scheduled.

Portland, Ore. - (UPI) - Unbeaten middleweight Bobby Horn of Eugene scored his eighth victory here Thursday night with a fifth round technical knockout of Ernie Gipson of Seattle.

Crater Encounters Bend This Evening In Dedicatory Mix

Central Point - Crater High's Comets, contending in the initial varsity football game on their own school site, kick off their 1962 season tonight against the Lava Bears of Bend.

"I think we are at the starting gate and we are ready to go," said Crater Coach Keith Johnson.

This is also dedication night for the Comets, their school and fans. Lights and a new grandstand have been added to the field which over past years has been used just for practice. Crater has a stadium all its own. This stadium and the school district-wide community effort which went into it will be dedicated.

Ceremonies are set for 7:30 p.m. with Glenn Jackson, Medford, chairman of the state highway commission, as main speaker. The football tangle is billed for 8:30 p.m. and will be on TV.

On just what can be expected from the Comets after three weeks of preparation, Coach Johnson had this to say: "We'll have to wait and see."

This will be the first gridiron meeting of the Comets and the Bears. Crater has a half line, particularly in its core, and a group of adaptable backs to run its split T. Bend fields a light, fast line with a good passing halfback and a hefty fullback to operate its T formation.

Status of some of the Comets is questionable because of ailments. Willie Jones, tackle with an ailing ankle, and Vern Swanson, fullback, with a bum knee, are listed as starters but John Harris could get the call at tackle and Wald could move to full. There was no available health report on the Lava Bears.

QUARTERBACKS COMETS

Darryl Summerfield, 180-pound junior is quarterback for the Crater High school Comets who entertain the Bend High football team at Central Point tonight.

cause of ailments. Willie Jones, tackle with an ailing ankle, and Vern Swanson, fullback, with a bum knee, are listed as starters but John Harris could get the call at tackle and Wald could move to full. There was no available health report on the Lava Bears.

St. Mary's To Journey To Glide

St. Mary's High school makes its 1962 football debut on Saturday.

The Crusaders will play at Glide at 2 p.m.

Coach Bill McKibbin reported that he plans to start two sophomores on offense and five on defense on his crews which started to blossom this week. The line will average 159 pounds per man and the backfield 140.

The offensive crew may be Pete Naumes and Ron Roberts, ends; Mike Hutchinson and Dan Taylor, tackles; John Lucas and Joe Smith, guards; Mike Stinson, center; Jim Calhoun, quarterback. John Webb, left halfback; Tom Darland, right half, and Tim Darland, fullback.

Roberts and Taylor are sophomores. Calhoun, a senior, opens his third season as regular quarterback.

Dennis Rose will replace Naumes, Frank Cobb will enter for Hutchinson and John Batzer will go in for Tom Darland on defense. These three replacements are soph.

The Saturday tussle will be non-league. Glide is in the Umpqua loop and St. Mary's in the Rogue. Schedules on file listed the game for Friday. This reportedly was the original date set with the change to Saturday made when it was found that Glide would not have lights installed.

Two Advanced In Judo Ranks

Darwin Moore and Tony Rambo were promoted from first to second degree blue belt on Monday after the Monday night workout of Medford Judo academy.

The two have two ranks behind them and will work now toward third degree.

Any interested is welcome to attend academy sessions, as a visitor or participant. The academy is located at Phoenix. Sessions are Mondays, Tuesdays and Thursdays from 7 to 9 p.m. From 15 to 20 members have been participating nightly.

Rogue Valley Country club will hold another of its three-ball golf six-some tournaments on Sunday.

Teoff has been set for 1:30 p.m.

Stock Cars Will Race At Speedway on Sunday

A field of more than 30 stock cars and jalopies race this Sunday afternoon at the Medford speedway at White City.

Although slightly slower than their counterparts, the hardtops and jalopies, the stock cars and jalopies still provide excitement as they gun around the one-fourth mile oval amid many bumps and near misses.

From last Sunday's interest in this race, officials expect some real good races.

Crock Hunter, veteran hard-top driver from past years, will pilot the No. 15 car, sponsored by Walt's Lithia Motors, Ashland. Last Sunday Hunter was top winner in the stock division. He gunned past all comers in the heat races and the main event.

Out of town entries are expected from Klamath Falls, Roseburg, Grants Pass and Yreka.

Entries may be cars of any make or model. All glass except windshields must be removed and all drivers must use safety harnesses. Doors must be welded shut or otherwise fastened to prevent opening in case of accident. All entries in the race are automatically up for \$99 claim sale if there is a buyer present.

Additional information concerning regulations or the races may be had by telephoning 772-7080.

Medford speedway is seven miles north of Medford on Antelope rd., east of the Crater Lake highway. Signs will be posted from the "Y" in north Medford to the track. Concessions are available at the race oval.

"50,000 MILES ON THE SAME SET OF PLUGS!!"

I ask a lot of a truck. My '61 Dodge Sweptline pickup helps me farm 30 acres of avocados. That's tough enough. And it also works alongside my heavy road-building equipment. That's even tougher. Then on Sundays it pulls a heavy horse trailer up in the hills. That Dodge has taken this kind of a beating for better than 50,000 miles. Some people brag about going that far without the head being off. This Dodge of mine has never even had a tune-up, not even new plugs or points. And the 6-cylinder engine runs on regular gas without a complaint!!

Sherman Loudermilk, Fallbrook, California

TOUGH AND TIGHT-FISTED as they are, Dodge trucks are priced lower than most of the competition, right in line with the rest. And the Dodges at your dealer's right now are 50 ways better than they were a year ago. Within the broad Dodge truck line there is a model to do a sleeves-up job on any kind of task you give it. See, price and drive the Tough Ones soon, at your dependable Dodge dealer's.
