EN GARGOYLES GET HUNGRY!

A cartoon illustration of a gargoyle with a long, pointed nose and a small tuft of hair, looking out from a ledge. The gargoyle is wearing a simple white shirt. The background is a plain, light-colored wall. The gargoyle's expression is neutral, but its posture suggests it is observing something of interest. The illustration is done in a simple, clean line-art style.

SOB! YOU MAY BE RIGHT!

OH, HO! AN ICBM MISSILE SITE! PERHAPS THAT EXPLAINS WHY PUSHY STOPPED HERE.

SURE, MAYBE ELFINA WOULD LIKE TO SHOW HER DOLLY ONE OF UNCLE SAM'S INTERCONTINENTAL BALLISTIC MISSILE SITES.

HOW MANY TIMES AM I GOING TO HAVE TO EXPLAIN THAT TO YOU?
