Hatfield Urges Cut In Appropriations

Salem, Ore. (UPI)—Oregon Gov. Mark Hatfield has sent a telegram to President Kennedy urging him to cut off all appropriations to the state of Mississippi except basic subsistence welfare payments.

Hatfield had said Thursday the only alternative to military action in the James Meredith case was to cut off all federal money going into the state, including such items as funds to run the U. S. postal service and similar government services.

The Republican governor Saturday night urged the President to accept his suggestions.

Hatfield said the Meredith Situation is "not a question of states' rights, but of human rights."
