Father Reads Ceremony

An event of September 28 was the candlelight wedding at Bethel Assembly of God church when Miss Velda Krause, a daughter of the Rev. and Mrs. Lawrence D. Krause, 1924 Stratford avenue, became the bride of Robert Duane Womack, Grants Pass.

The bridegroom's parents are Mr. and Mrs. Donald Womack, 1336 Annabelle lane, Grants Pass.

The Rev. Mr. Krause escorted his daughter to the altar and officiated at the 8 o'clock evening rite. Baskets of gold chrysanthemums and green and gold candles in six branched candelabra decorated the church. Green and tangerine satin bows marked the pew ends.

Mrs. Gordon Stiles was organist and soloists were Miss Beverly Todd and Clarence Gossage, Ashland. Mr. and Mrs. Gossage also sang a duet. Some 200 relatives and friends attended the ceremony.

Wears Lace

The bride wore a floor length gown of white net and Chantilly lace fashioned with lace bodice and the lace extended in points over the bouffant tiered net skirt. A row of ruffles down the skirt back extended into a chapel train. Her elbow length veil was held by a tiara of seed pearls which had been worn by the bride's sister at her wedding. She carried a white orchid encircled by stephanotis and rosebuds on a white Bible.

Mrs. Oliver Summers, Jacksonville, was honor attendant for her sister. She wore a frock of tangerine crystalline with matching embroidered jacket and her headpiece was also of tangerine net accented with gold and matching flowers. Miss

Leona Hageman, bridesmaid, wore a gold frock with gold headpiece. Miss Nancy Summers, Jacksonville, niece of the bride, was junior bridesmaid. She wore a tangerine colored crystalline frock with matching headpiece. All carried tangerine colored chrysanthemums. Little Jan Summers, another niece, was flower girl. Her frock and headpiece were gold.

Miss Pam Hart and Miss Pam Beaman were candlelighters. Their dresses and headpieces were a color coordinated and they carried matching colored candles. Their wristlets were tangerine and gold.

Later that day, Mrs. Sowell's cousin, Mrs. Ernest Alton, and Mr. Alton, arrived from Seiad Valley, Calif.

Mrs. Sowell, the second oldest child in a family of five, is the only member of the family still living. She is the widow of James E. Sowell, who died 13 years ago.

The past few years Mrs. Sowell has had arthritis and has not been able to pursue her hobbies of sewing, knitting and crocheting, though she lives by herself and does her own housework and leads an active life.

When she was eight months old, her family moved to Kerby, and then to Waldo, Ore., in the Illinois valley area in Josephine county. She attended Waldo schools and it was while living there that she was married in 1903.

The town of Waldo no longer exists but at the time she and her family lived there it was a booming mining town, Mrs. Sowell explained. After her marriage she and Mr. Sowell moved to Althouse creek about a mile and a half from Holland, also in the Illinois valley. They remained there until 1923 when they moved to Grants Pass to live until 1926 when they moved to Medford.

Mr. and Mrs. Robert J. O'Sullivan, 518 North Barnegate road, announce the engagement of their daughter, Marsha, to Robert Joseph Weber, Beaverton, Ore. The wedding will take place at Sacred Heart Church in Medford in early February of the coming year.

Miss O'Sullivan is a graduate of Medford High school and attended Maryhurst college in Oregon. She is employed in Portland.

Mr. Weber is the son of Mrs. Andrew C. Weber, Beaverton, and the late Mr. Weber. He attended the University of Portland and is in business for himself in Beaverton, where the couple will make their home following their marriage.

Mrs. Sowell Observes 80th Birthday

Mrs. Catherine Sowell, 604 Beatty street, a native of Jackson county, observed her 80th birthday Friday, October 5.

She was born in Jacksonville in 1882 in a two-story brick home on Third street for which her grandfather, Patrick Fehely, had made the brick as well as building the home.

Thursday evening a group of seven friends visited her, bringing a birthday cake. Her only child, Mrs. Ethel S. Schultz, 372 Stewart avenue, visited her Friday and had another birthday party.

Later that day, Mrs. Sowell's cousin, Mrs. Ernest Alton, and Mr. Alton, arrived from Seiad Valley, Calif.

Thespian Troupe Ticket Sales Open October 10

Season tickets for productions to be given throughout the year by the Thespian troupe, a drama group of Medford High school, will go on sale Wednesday, October 10. For a nominal charge tickets may be obtained from any Thespian member or through the high school. They entitle the purchaser to attend one presentation of each Thespian sponsored performance during the current school year.

Revenue from the season tickets will be used toward scholarships for outstanding drama students who wish to further their education in this field.

In the past the school has had several students each year who have done outstanding work both in acting and production. However, the school has been in no position to materially encourage them to continue their education. It is the hope of those in charge that the season ticket sales will rectify the situation.

No specific seat is reserved with the purchase of a season ticket because productions run more than one night. However, the holder of a season ticket may reserve a seat for a specific performance without additional cost.

Performances already scheduled include "Bernadine," a two-act comedy by Mary Chase, author of "Harvey," November 15 through 17; "The Beautiful People," by William Saroyan, January 24 through 26; "Angel Street," sometimes called "Gaslight," a psychological thriller, by Patrick Hamilton, April 25 through 27.

"Winnie the Pooh," a delightful children's play is set for March 28 and 29. In addition, a Reader's theater production of Sophocles' "Antigone," is tentatively planned for December.

"The Beautiful People," "Angel Street," and Sophocles' "Antigone," are to be in the arena, and the others will be given in the auditorium. Arena runs will be extended if necessary to accommodate ticket holders.

The season ticket sales will continue until November 15 with the opening of "Bernadine."

Traveler Praises Eurail System as 'Magic Carpet'

Herdsmen are employed to milk and care for the cows on the high rangeland. The milk is converted to cheese and allotted to the owners of the cows on the basis of the milk produced by their herds.

Thus individual farmers are relieved of the care of their animals in summer and can devote their time to making hay, growing vegetables, and other pursuits.

It is an interesting system, one result of which is to make all grassland look like well-kept parks. No other country has this "manicured" appearance.

Well, six miles and two hours later, after an easy but always uphill climb, we reached Blausee which is fed by numerous large springs and is quite cold, with a sandy bottom. The depth varies from 40 to 60 feet, and the water is so clear that the bottom can be seen at these depths. There are many trout and a trout hatchery is located close by. The ticket of admission to this private domain includes a visit to the hatchery and a boat ride on the lake. As the boatman slowly sculls his rowboat around the lake he tells how it was formed and other pertinent facts, and answers passengers' questions.

The whole trip takes less than half an hour. Ducks dive and otherwise cavort about to the delight of youngsters and oldsters alike. A small restaurant nearby serves lunches and other refreshments, but we ate ours while resting on a bench beside the lake.

On the Eurail Pass-without any doubt this is the greatest innovation in travel. It must be purchased in the United States, before going abroad, at \$180 per person for three months. We paid for ours in less than a single month, compared with regular first class fares. It gives one a tremendous freedom of movement and maximum convenience.

It is never necessary to queue up for the purchase of tickets-merely walk through the gate and board your train (or boat), any train, even extra fare trains at no extra cost, and also seat reservations without extra charge. You can go where you will with no red tape. Nothing could be more simple or more convenient. We call it our "magic carpet."

On Paul Sieber's Slides-Herr Sieber showed us some of the color slides he has taken around Frutigen. He is quite an artist and an excellent photographer. His pictures are all well composed and technically of superior quality.

A Last Word About Frutigen-Perhaps if we had not spent so much time in Frutigen we could have more to see of the rest of Europe. A month of our total time has been spent here, but we have no regrets. After all, this is a pleasure trip and not a "rat race," and both Mary and I are relaxed and happy here, and well. One cannot go hard every day for seven months without frequent rests. Frutigen has provided this in every way, amid gorgeous scenery. We leave here refreshed and with new interest for the final month of our European experience. We are sorry to leave this lovely spot but time marches on.

Registration is through the General Extension Division. Later in the fall the Museum, in cooperation with the Friends, will establish an Art Rental gallery. A preview of the rental collection is planned for October 30.

A third innovation in the Museum's services program is a traveling exhibition for display in cities of the state. The exhibition will include works of art purchased by the Friends of the Museum for the Museum's permanent collection. Directing this project is Mrs. William N. Russell.

Mr. and Mrs. C. R. Manord and Mr. and Mrs. Lloyd E. Cummings are co-chairmen for a series of preview-receptions through the year. These will open the special exhibitions sponsored by the Friends of the Museum.

A major social event, for the purpose of raising funds for Museum purchases, is planned this fall by the Friends. Dr. and Mrs. Nicholas Sullivan are chairmen of this event, the date for which will be announced later.

Final special event on the Museum - Friends calendar is the annual spring dinner meeting. Co-chairmen for the dinner meeting are Mr. and Mrs. Ehrman Giustina and Mayor and Mrs. Edwin E. Cone. University's Art Museum Lists Expanded Program

Eugene - An expanded program of services for the coming season is announced by the Museum of Art at the University of Oregon.

The expansion of services is made possible through the support and cooperation of the Friends of the Museum, an organization dedicated to the advancement and continuing development of the Museum of Art.

The announcement of the new program is made in conjunction with the fall membership solicitation of the Friends. Those interested in membership may obtain information from the Museum offices. Basic dues for membership are \$10, advises Mrs. E. Charles Pressman, chairman of the board of governors of the Friends.

The new program is, according to Museum Director Wallace S. Baldinger, an expansion of the Museum's regular program of exhibitions and acquisitions. It is a projection of the Museum into the community in a variety of ways in order to aid in the cultural advancement of the area.

Opening this new program is the already announced art appreciation class under Mrs. Ellen Baldinger. The two-hour noncredit class starts October 8. Classes will be at 10 a.m. Mondays in the Museum, with ten sessions included in the course. A \$10 fee will be charged to members of the Friends of the Museum. The class will be limited to 25, due to space.
