

# Pierce Tames Yankees With 3-Hitter, Cepeda Breaks Out Slump As Giants Win 6th Series Game

San Francisco — (UP) — You could get a few arguments today on which is stronger, Billy Pierce's heart or his pitching arm.

**PHENOMENAL RECORD**—San Francisco Giants' pitcher Billy Pierce, in dressing room after the Giants beat the Yankees 5 to 2 Monday, holds up ball lettered "13-0" to indicate what his pitching record at Candlestick park was this season, 13 wins, no losses. (UPI)

**Yields First Hit**  
Billy pitched 4 1/2 perfect innings before Roger Maris tagged him with a home run over the right-field fence in the fifth. The Yankees scored their other run in the eighth when Cletis Boyer doubled and Tony Kubek singled for the only other New York hits.

Pierce pitched to the minimum of three batters in every inning except those in which the Yankees scored. He walked two men, one intentionally, and although he struck out only two, the last was Maris for the final out of the game.

This was Pierce's 13th victory without a defeat this season in Candlestick park. Orlando Cepeda broke out of his slump to collect a double and two singles and drove in two of the runs against Yankee southpaw Whitey Ford.

Ford, who has won a record 10 World Series games, obviously did not have his best stuff as he suffered his fifth Series defeat.

**Throws Wild**  
Normally a good feinting pitcher, Ford contributed to his own defeat by making a wild throw on a pickoff attempt at second base during the Giants' three-run uprising in the fourth.

With one out Felipe Alou beat out a hit off third baseman Cletis Boyer's glove and Willie Mays walked. With Cepeda at bat, Ford wheeled and threw to second in an attempt to pick off Alou.

"I knew we weren't going to get him as soon as I turned around," Ford related later. "I tried to hold back but the ball sailed out of my hand. It was a real bad throw."

The throw was about 20 feet wide of the base and sailed into right-center field. The outfielders were playing Cepeda deep on that play and when the long dump grass slowed down the ball, Maris had to make a long run to retrieve it. By the time Maris got to it, Alou was home and Mays on third.

**Cepeda Doubles**  
Cepeda followed with a long double to right-center that scored Mays, and Jim Davenport singled to center, bringing home Cepeda with the third run of the inning. Ford then struck out Ed Baer and retired Pagan on an inning-ending foreout.

Ford was knocked out in the following inning, Cepeda supplying the key blow with a single. Harvey Kuenn, Chuck Hiller and Felipe Alou singled in succession for one run. After Mays fouled out, Cepeda singled sharply to center to bring home Hiller and send Ford on his long walk to the clubhouse.

Jim Coates, who replaced Ford, got the final out of the fifth inning and then pitched two hitless frames before yielding for a pinch hitter in the eighth. Marshall Bridges pitched the eighth inning for the Yankees.

## SO Harriers Second at Sacramento

Ashland—Coach Dan Bulkeley's Southern Oregon college Red Raider cross-country runners nabbed a second spot in the small college division of the Sacramento State Invitational meet last Saturday in Sacramento. Host team Sacramento State copped first place honors in the division, edging Southern Oregon by a scant six points.

Seventy-nine runners from nine colleges in Oregon, California, and Nevada ran the 3 1/2 mile course in the heavy rain that was part of the violent storm that swept through Oregon, California, Washington, and British Columbia.

In the large college and university division, San Jose won the team trophy with Stanford university placing second.

Phil Darnell of Chico State was the first small college runner to place, as he nabbed 13th spot. Norm Oylar was the first Raider runner to cross the line as he took a 16th in the event.

Other Southern Oregon runners and their places were Jerry Arndt, 21st; Terry Boatman, 22nd; George Ives, 35th; Harry Cougle, 47th; and Ken Coffman, 54th.

This market the first time in the history of Southern Oregon that a cross-country team had participated in the Sacramento meet. And for "not knowing what we were getting into," the boys from Ashland did a great job. Raider mentor Bulkeley was "well-pleased and proud of the squad."

Team scores in the small college division were Sacramento State, 135; Southern Oregon, 141; Chico State, 161; San Francisco State, 162; University of Nevada, 165; Fresno State, 180; and University of Pacific, 251.

## White Sox Sell Three To Indianapolis Team

Chicago—(UP) — The Chicago White Sox today announced the outright sale of three players to Indianapolis of the American Association to cut the roster to 38 and make room for minor league players to protect them from the draft.

Sold to Indianapolis were catcher Bob Rosell, infielder Verle Tientenbaler, Rosell, 31, had a .188 batting average in 24 games last year; Sadow, 31, hit .231 in 79 games, and Tientenbaler, 25, allowed six hits and four runs in the 4 2-3 innings on the mound.

## MEDFORD MAIL TRIBUNE SPORTS

### Fanfare By DICK JEWETT Mail Tribune Sports Editor

Last Friday, in the wake of the horrible storm, was a night of football game postponements in many communities of the state but not for the Medford high Black Tornado or the Crater Comets.

But, one Tornado fan remarked, as the Comets were making their valiant effort to upset the Tornado and threatening to succeed: "Medford should have postponed its game, too."

Now, the Firebells might tell you that wouldn't have made any difference. They may find it hard to stay as high as they were for the Medford fracas. But, if they do, there's going to be a peck of trouble for the rivals remaining on their schedule.

**NO RUNAWAY**  
This Southern Oregon conference race, as it stands right now, does not appear to be a runaway for any team—with Crater nearly pulling an upset and Klamath Falls accomplishing one in bopping favored Grants Pass.

That Klamath Falls-Grants Pass grid outcome, as we see it, will make both the KF Pelicans and the Cavemen tougher foes for Medford. Klamath Union, which comes to Medford, should—on the strength of the upset and its previous win over The Dalles—have some new found confidence. Grants Pass, deflated, will battle all the

harder to keep alive those state title ambitions they've been nourishing.

**JUNGLE BEASTS**  
The Klamath win Saturday was its first in football in 13 years over Grants Pass. Jerry Waggoner, sports editor for the Klamath Falls Herald and News, said that the Pels played "like a bunch of hungry jungle beasts fighting for their very lives."

"You can just say it was the defense," KP Coach Bob Williams remarked to Waggoner. "The offense was very good, too, but the defense was spectacular. Let's not point out anyone in particular because everyone on that defense line did a splendid job."

(Those last words sound rather familiar—Like Coach Keith Johnson speaking of his Crater Comet team.)

**FRYING PAN**  
Waggoner completed his Sunday H and N story by saying that "the Pelicans got right out of the frying pan into the fire when they travel next Friday night to Medford."

The Tornadoes might be feeling much the same about the forthcoming fracas after getting something of a trying pan treatment themselves.

**REAL GOOD JOB**  
Said Medford High Coach Fred Spiegelberg in Saturday review of the Friday Crater game: "I'm glad for Keith's (Johnson's) sake that he did a real good job against us."

**WOMEN'S GOLF**  
There were no "winners" among the Rogue Valley Country club lady golfers last Thursday because of the heavy rain.

This Thursday the play for the day will be medal and the sixth and final play of the Rogue Valley trophy.

In the Fall handicap tournament all matches are to be played in order and the finals to be finished by Oct. 30. Results of the first round matches were:

## Portland Olympics Bid Loses

Chicago—(UP) — The city of Portland, Ore., lost out today in its bid to stage the 1968 summer Olympics when the U. S. Olympic committee picked Detroit.

The committee also chose Lake Placid, N. Y., to bid for the 1968 winter Olympics.

A final decision will be made on the 1968 site next year at Nairobi, Kenya, with cities from other countries bidding.

Presentations of all cities were complimented by Kenneth L. Wilson of the sites committee. He said he believed any of them would have facilities superior to those which could be made possible in any other cities in the world.

Other cities besides Portland which lost out were Los Angeles, San Francisco and Philadelphia.

Portland's presentation drew praise from Olympic officials.

Portland decided to go for the Olympics after plans for a \$48 million sports complex were announced for the Delta Park area. A spokesman said work would continue for the Delta Park development.

Los Angeles, in a statement by a member of its delegation, criticized the choice of Detroit by implication. "We particularly regret that the decision was not made by the committee which actually visited the sites and saw and heard the presentations of the five cities which were bidding for the honor," it said.

Mayor Terry Schiunk and the Portland group made the presentation Monday.

## Prep Grid Leaders Vie This Week

Battles for lone leadership in two leagues will highlight football action in this section of the state this week end.

Both games involving unbeaten leaders are on Friday. In the Southern Oregon conference, Klamath Falls will come to Medford. The two clubs won opening loop games last week end. St. Mary's will be at Henley in the Rogue league. These two clubs each have 4-0 Rogue standings.

**ASHLAND AT GP**  
Another Southern Oregon conference tussle will take Ashland to Grants Pass. Fifth loop member, Crater, will have a non-league go as host to Yreka, Calif.

Other Friday scraps in the Rogue circuit are Eagle Point at Rogue River and Illinois Valley against Sacred Heart at Klamath Falls. Lakeview will contend at Phoenix on Saturday.

In Class B eight-man football, Butte Falls will encounter Days Creek at Canyonville. Camas Valley will be at Prospect. Butte Valley of Dorris, Calif., defeated Prospect 26 to 20 last Friday.

**CUT FROM SQUAD**  
San Francisco—(UP) — The San Francisco Warriors have asked waivers on former North Carolina star York Larese. The roster cut trimmed the Warriors' squad to 12 players for the start of the National Basketball association season.

**BATTLE TO DRAW**  
Paris—(UP) — Angel Robinson Garcia, 141 1/2, of Cuba, fought the third draw of his career Monday night when he battled Omrane Sadok, 142, of Tunisia on even terms through 10 rounds.

Paris—(UP) — The marchioness of Vizier said Monday she had accepted an invitation to race Val de Loir, one of France's best 3-year-olds, in the Man o' War Stakes at Belmont Park Oct. 27.

## Waterfowl Hunting Season Opening Slated October 20

Portland—About 50,000 waterfowl hunters over the state of Oregon probably have their eyes turned to the skies hoping for stormy weather through the week end of Oct. 20.

For this day marks the opening of the state-wide duck and goose season. It is scheduled to open at noon.

And to a waterfowl hunter, fall storms mean that the birds will fly and the more severe the weather the better the shooting. The gunning season for most species of ducks and geese will extend through Jan. 2, 1963. However, the black brant season will not get underway until Dec. 1 and extend through Feb. 13, 1963, and the snipe season is scheduled from Oct. 27 through Nov. 25. Black brant are confined primarily to the coastal bays and inlets. As with last year, there will be no season on redhead and canvasback ducks.

Bag limit for ducks is set at four birds per day, eight in possession. In addition to other bag and possession limits, gunners hunting in Baker, Gilliam, Malheur, Morrow, Sherman, Umatilla, Union, Wallowa and Wasco counties will be allowed two more mallards in the daily bag and

Fair shooting is expected in the Umatilla area and along the Columbia river adjacent to the Columbia river refuge. Summer Lake is expected good with the best gunning on both ducks and geese from now until mid-season. Any freeze-up at Summer Lake pushes the birds south early.

Hunters are advised that a synopsis of the waterfowl regulations is available at all license agencies. Hunters are urged to check the regulations for prohibited hunting methods, possession and transportation of waterfowl, refuges and closures, and other rules pertaining to the hunt. Gunners will also find in the synopsis shooting dates and other regulations for the public shooting areas.

## Ninth Grade Clubs Clash

Makeup games are part of the schedule this week in football scrimmishes involving ninth down through seventh graders.

Two ninth grader makeups were set for this afternoon with McLaughlin at Crater and Hedrick at South Grants Pass. On Friday on regular schedule Crater goes to North Grants Pass and Hedrick to Ashland.

On the eighth grade level Ashland will be at Hedrick on Wednesday afternoon. On Saturday McLaughlin vies at Ashland in the morning and Hedrick at Central Point in the afternoon. Makeup date for the postponed McLaughlin at South Grants Pass fray has not been set.

Medford seventh intramural games, Hedrick Red at McLaughlin Black and McLaughlin White at Hedrick Blue, were to be made up today. This Friday Hedrick Red and Blue are rivals as are McLaughlin Black and White.

Elementary school games in the Medford school district postponed last week end are to be made up at the end of the season.
