Texas Voted No.1 Team For Second Week; Oregon Is 15th

By JOE SARGIS

New York–(UPI)–Texas' well-balanced Longhorns, who begin defense of their Southwest Conference title Saturday, were named the nation's No. 1 major college football team for the second straight week today by the United Press International Board of Coaches.

Unbeaten in four starts thus far, Texas was the top choice of 11 of the 35 coaches who comprise the UPI raiting board. Alabama, which lost out in the fight for top spot a week ago by only five points, again was second this week, gaining the support of 10 coaches for first place.

With points tabulated on a basis of 10-9-8-7-6-5-4-3-2-1 for votes from first through 10th, Texas drew 297 points, one more than a week ago, while Alabama, the No. 1 choice of 18 coaches last week, slipped 25 points for a total of 266.

Surprising Northwestern, 10th last week, moved up to third with eight first-place votes and 189 points, while Mississippi advanced one place to fourth, swapping positions with Southern California.

Arkansas, Texas' opponent this Saturday and the Longhorns' top challenger, for Southwest Conference honors, also advanced one position to sixth; Ohio State, rebounding after a disastrous loss to UCLA two weeks ago, moved up from 12th to seventh; Wisconsin advanced from 13th to eighth; Washington dropped from sixth to ninth, and Louisiana State advanced from 11th to 10th to round out the top 10.

UCLA, eighth last week, headed the second 10, followed by Michigan State, Georgia Tech, Nebraska, Oregon, Missouri, Duke, Maryland, West Virginia, Iowa and New Mexico. Only five other teams drew votes this week.

Mississippi and Southern California, both unbeaten in three starts, drew two first-place votes each, while Arkansas and LSU drew one vote each for the top spot.

HOSFORD TAKES POST

Portland–William E. Hosford, wildlife conservation aide in the Grants Pass area since 1959, has filled the position as education agent for the game commission in Portland, a post recently vacated by Maurice M Taylor. Hosford reported for his new assignment Oct. 1 and will assist in the game commission's youth and adult education activities throughout the state. While stationed in the southwest region, Hosford worked in fishery management under Cole Fivers, local fishery agent. Prior to graduation from Oregon State university, he spent several summers as student scientific trainee in the Grants Pass area.

Rice Players, Writers Heap Praise On Renfro

By TRAVIS HUGHS

Houston, Tex. — (UPI) — If you're looking for some impartial opinions about All-America candidates, Houston football followers will recommend Oregon's Mel Renfro without qualification.

"I don't know when I've seen a back as good as that one," said veteran coach Jess Neely, whose favored Rice Owls were wrecked 31-12 by Renfro and the Webfoots last Saturday.

Houston press sports editor Bob Rule, after watching Renfro gain 141 yards in 13 carries and run a pass interception back 65 yards, said the Oregon halfback should rank with 1954 Rice star Dickie Moegle.

"For one game at least, Rice Stadium saw Moegle's equal," Rule wrote. He said he rated Moegle and Renfro ahead of former college stars Billy Cannon and John David Crow as break-away runners.

Oregon publicist Hal Childs spent a week in Houston before the game, trying to convince sportswriters that Renfro was for real. Then the junior halfback from Portland did the real selling job on the field.

Besides his brilliant interception runback which set up a touchdown with one second left in the first half, Renfro burst through the tough Rice line for runs of 45, 30, 20 and 18 yards. He also caught two passes for 17 yards and threw at least one key block for a fellow back.

"He can run, block, tackle, play pass defense, and he knows how to use his speed," remarked Neely, who has seen some great ones in his 36 years of college coaching.

Rice players were liberal with their praise.

"You reach out for him, right in front of you and suddenly he's five yards gone," moaned Owl halfback Jerry Candler.

"One man alone can't grab him or hem him in," said end Gene Raesz.

The 5-foot, 11-inch 190-pounder was hurt much of last season but managed to excite Oregon fans with even a limited season.

Against Stanford, he touched the ball only five times but scored twice and passed 39 yards for another touchdown. One of his scoring trips in that game was a 94-yard kickoff return.

He also is outstanding in track, finishing second in the NCAA high hurdles with a nifty 13.8 time behind teammate Jerry Tarr. He was third in the broad jump with a 25 foot, 11¾ inch leap.

Denny Moyer To Fight For New Title Saturday

By JAMES F. COUR

Portland –(UPI)– Denny Moyer, a young man who fought for a world title at the age of 19 and lost, gets another chance at a championship here Saturday night.

The 23-year-old Portland youngster faces veteran Joey Giambra of San Francisco in a 15-round fight for the newly created world junior middleweight boxing championship at the 10,000-seat Memorial Coliseum.

Moyer lost a 15-round decision to Don Jordan at Portland in 1959 in a middleweight championship bout.

Moyer and the 31-year-old Giambra are rated one-two in the World Boxing Association rankings for the new 154-pound division and the fight figures to be a close one. Both men are top boxers. Giambra is rated to have the edge in punching.

Ring magazine ranks Moyer as the fourth leading middleweight contender and picks Giambra for eighth spot.

Young Denny, is his last fight, lost a split decision to welterweight champion Emile Griffith at Tacoma in August. Giambra holds an impresive eight round technical knockout over Florentino Fernandez this year.

Moyer has had some 40 fights in a career which spans five years while his California opponent has had more than 70 bouts in a career which began in 1949.

It will be the Portland boxer's firt fight in his home town since Sept. 17 of last year when he scored a unanimous decision over Dulio Nunez.

Heavyweight champion Sonny Liston will referee the contest. WBA Presldent Charles P. Larson of Tacoma said the winner must defend the new title within 90 days against a leading contender in the division.

That probably means the winner will face either Jorge Fernandez of Argentina, Teddy Wright of Detroit or Ralph Dupas of New Orleans, the WBA's third, fourth and fifth ranking contenders in the new division.

Newspaper Advertising Hits the Mark with a Large and Constant Audience

There's nothing hit-or-miss about the newspaper audience—it's a constant audience that varies little throughout the year. That's because newspaper circulation remains constant with little variation from month to month. There is no summer slump in newspaper reading habits. Furthermore, readers can pick their own time—day or night—to enjoy the paper. And they do—over 107,000,000 of them every day in the U S.
