

### Chinese Killed in India Border Fight

New Delhi (UPI) — One Communist Chinese soldier was killed Tuesday in a new Sino-Indian clash along the disputed border of the two countries. It was officially announced.

An Indian Foreign Office spokesman said "some Chinese opened fire at one of our positions" this morning in the northeast frontier area.

"Our post returned the fire," the spokesman said. "The Chinese withdrew, leaving behind one dead who was buried by our troops."

The new clash — the first in nearly a week — came as top Indian defense officials met in New Delhi for a review of the latest developments in the bloody dispute with Red China over the border region.
