Dr. F. W. Martin urged that although people may have missed their Type I Sabin oral vaccine, to start with Type II, and arrangements will be made at a later date for Type I.

Type III clinics are scheduled in November, but only if the vaccine has been declared safe by agencies studying the problem.

### Redden Endorsed by College Newspaper

Jim Redden, Democratic candidate for state representative, received the endorsement of "The Siskiyou," the official publication of the associated students of Southern Oregon college in a recent editorial.

In endorsing Redden, Duane Jarnagin, managing editor, cited Redden's experience in local government and observed that Redden "... wants to do a job for the nineteenth district."

Redden was the only Democrat on the state or national level to receive the publication's endorsement.
