Events Planned In Observance of UN Day In Medford

"Because we no longer live in a world in which we are insulated from others by distances measurable in miles and days, it is important that we prepare ourselves to exist in a world which sometimes seems too small.

"The United Nations has been an important first step, and the observance of United Nations day on October 24 serves to remind us all of our obligation to share the face of the earth with all others."

With this statement, Mayor John Snider of Medford focused the attention of citizens on the coming observance of United Nations week and day. President Kennedy has issued a proclamation urging citizens to observe the special week and day.

Mrs. Ronald L. Ricketts, the mayor's chairman in charge of the city's observance, and Medford chapter, Oregon United Nations association, have announced events for the week. Mrs. Ricketts states that a luncheon has been planned for Wednesday, UN day, at North's Chuck Wagon. Invited are Mayor Snider, County Judge Earl Miller and Commissioners Chester Wendt and Edwin Taylor, Eric W. Allen Jr., of the Mail Tribune, members of the UN chapter, and a number of interested officials and citizens. Mr. North is planning an international menu.

Oregon Representative On the UN chapter's calendar of events are a talk by Paul Goodwin, Medford High school student, Thursday, Nov. 22, at 8 p.m. at the high school auditorium. Young Goodwin made the IOUFG and Rebekah UN pilgrimage last summer as one of the Oregon representatives and his report is sponsored by the Medford lodges. The public is invited.

October 28 the chapter plans a reception for UN members and friends at 4:30 p.m. at Rogue Valley Manor club-rooms. The event will be in memory of the late Dag Hammerskold who was killed while on a UN trip to the Congo, and a film "I Remember Dag Hammerskold" will be shown.

The chapter is also sponsoring the annual UNICEF Halloween party.

Wilson School

Mrs. Maxine Mee's third grade room has 8 girls and 18 boys. Newcomers are Rhonda Britton and Lorie McHenry from Roosevelt school. Kent Lane is from Portland, Ore. Johnny Sarraf is from Grants Pass. Robert Taylor is from the Rogue River Academy, and Barbara Wilcox is from Gilroy, Calif.

In science, we are trying to start plants from slips, leaves and stems. Already, we have started a sweet potato, a carrot and an avocado.

Mrs. Jensen has a small third grade class of 20 children, 10 girls and 10 boys. They are located in the old band room by the gymnasium and they like to call their room the "Ivory Tower" because they are up high. A newcomer to the room is Fayne Peterson from Brookings.

We won the room prize for having the most parents present at the first PTA meeting. With the money, we will buy a library book entitled, "Henry and Ribsy."

Mrs. Peterson's fourth grade room started the year with 18 boys and 21 girls. The students have started the Oregon Motor Fitness tests in physical education. Children will be tested this fall and again in the spring to see if there is improvement. The science class is studying about friction, its cause and effect.

Terry Kelly transferred to Wilson school from San Jose, Calif.

In Mrs. Dorothy Morris' fourth grade room is a project which combined the best efforts of art, social studies and science. This was pictures made by students showing how the complete water cycle performs.

Larry Farris reports all the children watched a magnolia bud outside their window, hoping it would survive, but the storm and rain carried it away.

Survivors include two daughters, Mrs. Esther Beacham, Medford; and Mrs. Elizabeth Mansur, Galt, Calif.
