

Advisory Committee Sets Meeting in City

Edward Branchfield, chairman of the advisory committee to the director of the Department of Veterans' Affairs, has announced that the quarterly meeting of the committee will be held in Medford Saturday. The meeting will be at the Rogue Valley Country club at 9:30 a.m.

Branchfield has invited commanders and other officials of veterans' organizations in Jackson county to attend to give them a closer look at the operations and responsibilities of the state veterans' department.

A no-host luncheon will follow the meeting.

The department's advisory committee is comprised of eight members serving without pay—six of them from veterans' organizations, one appointed by the Governor from World War II veterans at large, and one public member named by the Governor. Branchfield is the Disabled American Veterans representative on the committee, having served since 1951.

Appling Sees Light Turnout of Voters

Salem—(UPI)—Secretary of State Howell Appling Jr. predicted Monday that the voter turnout in November will not exceed 70 per cent "unless interest increases sharply during the remaining weeks of the campaign."

Appling, chief elections officer of the state, noted that the turnout in November, 1960 was 86.5 per cent, but that was a presidential election year.

In the 1958 general election, 70.1 per cent of the registered voters in Oregon went to the polls.
