

OBITUARIES

HENRY E. CONGER
Funeral services for Henry E. Conger, 86, of 2888 Ross lane, who died Sunday, will be held at 1:30 p.m. Wednesday in Conger-Morris downtown chapel.

Mr. Conger was born Sept. 23, 1876, in Cincinnati, Iowa. He moved from Independence, Ore., to the Medford area 35 years ago, with four brothers, and started farming in the West side section, clearing many trees in that area in the early days.

He belonged to the Central Point Grange, the Pomona Grange, and the State and National Grange organizations. He was chairman for many years of the Jackson County Agricultural committee.

He was married Nov. 11, 1909, in Medford, to Emma Niedermeyer, who survives. Other survivors include two sons, Homer A. Conger, Central Point; and Lewis E. Conger, Medford; two daughters, Mrs. Leon Sutherland, Corvallis; and Mrs. Doris Caldwell, Corvallis; a brother, Albert P. Conger, Medford; two sisters, Mrs. Laura Beer, Medford; and Mrs. Minnie Reese, Roseville, Calif.; and 10 grandchildren.

Honorary casket bearers will include Charles Hoover, Cliff Maust, O. V. Myers, Winn Arnold, Ray Yost and Jean Cameron. Active bearers will include Ed Hull, Arnold Bohner, Melvin Hall, Earle Jossy, William Holman, and Ted Walland.

ALBERT J. CONNER
Funeral services for Albert Jesse Conner, 59, of Highway 62, Eagle Point, who died Friday, were held at 3 p.m. Tuesday in Conger-Morris downtown chapel.

The Rev. D. E. Millard of the New Age church at Eagle Point officiated. Committal was in the Trail cemetery.

Mr. Conner was born April 11, 1903, in Dayton, Wash., and moved from there 35 years ago to Shady Cove, where he is a resident. He was a member of the Jackson County Cattlemen's association.

He was married Feb. 16, 1929, in Medford, to Juanita Smith, who survives.

Other survivors include a son, Henry Conner, at home; two daughters, Mrs. Kenneth Burnell, Shady Cove; and Mrs. Carl Janzner, Spenard, Alaska; two sisters, Mrs. Violet Heavilin, Medford; and Mrs. Al Lair, Walla, Walla, Wash.; and four grandchildren.

Casket bearers included Kenneth Walsh, Dennis Hammond, Bill Zimmerman, Bill Croucher, Gene Ash, and Calvin Hudspeth.

LILLIAN WEISENFELS
Mrs. Lillian Weisenfels, of route 1, box 122, Talent, died early this morning in Ashland Community hospital. Funeral arrangements will be announced by the Ashland Mortuary.

JOSEPHINE ROSTEL
Private funeral services for Mrs. Josephine Murray Rostel, 60, of 828 Cedar st., Central Point, who died Monday, will be held at 10 a.m. Thursday at St. Mark's Episcopal church.

Reserve Call-Up Appears Likely
Washington - UPI - Some Air National Guard pilots and specialized naval reservists today appeared likely to be called for Cuban blockade duty.

The Navy has 40 destroyers adrift that are manned at only 20 to 50 per cent of full operating strength. The Air Force still is considerably short of its goal in a buildup of its tactical fighter units.

White House Press Secretary Pierre Salinger said that, in the haste with which the blockade was organized against Cuba, the question of calling up reserves had not even come up.

But Defense Secretary Robert S. McNamara, at a news conference Monday night, said pointedly: "We obtained from Congress the authority to call 150,000 men from reserve and guard units for... situations we could visualize in which it might be necessary... this is that kind of situation."

"We don't, however, at the present have any immediate plan to call reserve personnel," he said. "We may do so as the situation develops."

REQUIRES STIFF FEE
Columbus, Ga. - UPI - The Columbus City Commission announced plans Monday for enacting a city ordinance requiring retail merchants selling goods from Communist countries to pay a \$1,000 fee. The proposal also would require merchants to display a sign saying Communist-made goods were being sold.

Dr. Crick was a University of Oregon Honors College Colloquium guest lecturer last April and conferred with the Oregon scientists at that time. During the past week, Dr. Stahl has been invited to work with Dr. Crick, and he presently plans to spend the 1964-65 academic year at Cambridge.

Dr. Stahl's research was supported by the National Cancer Institute and the National Institute of Allergy and Infectious Diseases of the U.S. Public Health service and by the National Science Foundation, which has recently renewed Dr. Stahl's research grant for the next three years in the amount of \$144,000.

Biologists at UO Confirm Theories
Eugene - A group of University of Oregon biologists has just announced "definite confirmation" of one of the theories concerning heredity which won a Nobel prize in medicine for three scientists this month.

The work demonstrates one of the natural processes by which mutations occur. It is estimated that this process accounts for about 20 per cent of all the spontaneous mutations which nature uses to nudge along the process of evolution.

The Oregon scientists are Dr. Betty E. Terzaghi, Dr. George Streisinger, and Dr. Franklin W. Stahl, research associates in the University's Institute of Molecular Biology. Their report appears in the current issue of the Proceedings of the National Academy of Sciences.

This marks the second time within four years that Dr. Stahl has been involved in the confirmation of one of the theories proposed in 1953 by Dr. James D. Watson of Harvard university and Dr. F. H. C. Crick of Cambridge university, England, winners of the 1962 Nobel prize. Also sharing in the prize for the same work is Dr. M. H. F. Wilkins of King's college, London.

Young Politicians at UO Schedule Two Conferences

Eugene - Political activity at the University of Oregon will reach a high point Wednesday and Thursday when University Young Republicans and Young Democrats plan conferences.

The programs are under university sponsorship to stimulate political activity and thought among the students on the campus.

The first annual Democrats' day is scheduled by the University Young Democrats Wednesday. It will be followed Thursday by the first annual University Young Republican day. University President Arthur S. Flemming will be a speaker at assemblies on both days.

The Democratic day will begin with a luncheon at the Student Union. Those attending will include President Flemming, Sen. Wayne Morse, Democratic Party Chairman Ed Spencer; Bob Thornton, Democratic nominee for governor; Robert Duncan, Medford, Democratic nominee for Congress; from the Fourth District, and all of the Democratic candidates for the state legislature from the Fourth District.

In the afternoon there will be a panel discussion by Morse, Thornton and Duncan. Co-chairmen for the Democratic event are Bob Ackerman, University of Oregon Young Democrats president, and Bryan Hodges.

The Republican Day Thursday will begin with a car caravan for national, state and Lane county Republican candidates in the morning, followed by a press conference.

Four Vehicles Damaged in Crash

Four vehicles were damaged Monday night at a collision on North Riverside ave., according to city police.

Investigating officers said a car driven by Royce Neal Pate, 19, of 804 North Riverside, ave. swerved to avoid another car about 9:15 p.m. and struck the rear of a vehicle registered to Cummins-Diesel Inc., which was parked in front of 824 North Riverside ave.

The Cummins-Diesel vehicle was knocked forward into the rear of a parked car registered to Galt and Dorris Kimball, 2532 Sandy Terrace. In backing away from the Cummins-Diesel vehicle, officers said, Pate scraped the side of another car registered to Charles Leroy Heavilin, 3167 Connell st.

No injuries were reported, police said, and no citation was issued.

In another accident Monday, vehicles operated by Margaret Ellen McLean, 36, of 235 South Douglas ave., and Richard Douglas Cartwright, 25, Talent, collided about 9:45 a.m. at Sixth st. and Oakdale ave. Mrs. McLean was cited for failure to yield the right of way. Neither driver was injured, police said.
