School News

Griffin Creek School

Griffin Creek School welcomes several new teachers. They are Mrs. Dorothy Tollefson, who is teaching second grade; Maurice Nelson, fourth grade teacher and assistant athletic coach; and Mrs. Corinne Kane, fifth grade home room teacher and art, music and penmanship teacher for grades five and six.

Forty-one more students entered Griffin Creek this year in September than in September, 1961.

Thirty-two of our students accompanied by Mrs. Myrna Frink, principal, attended the Marine Band concert at Hedrick Junior High school.

On Oct. 4 Martin Holmes and Clyde Fitchner visited our school and installed our School Safety Patrol. We had a regular school assembly and school yells and songs were led by yell leaders.

Bicycles were inspected recently by the sheriff and Roland Griffith. Many of our students passed the inspection, received stickers and participated in the Bicycle Rodeo.

The school is having a stamp program in full swing. The PTA assists and we hope all students will soon be able to start a savings stamp book. Mrs. Walter Roemer, PTA chairman, said the students invest an average of \$40 each week in stamps.

Mrs. Rhea Giles is the new nurse at Griffin Creek school.

Results of the student body elections are as follows: president, Rodney Petersen; vice president, Jerry Mason; secretary, Gall Burke; treasurer, Sharon Darnell; yell queen, Kay Smith; and yell girls, Becky Moore, Lorna Snopl, Donna Leon, and Karen Killingsworth. Joan Rutter will be a yell girl soon because Lorna Snopl is moving to Ruch school.

There are 38 boys out for football. They are Stanley Garball, Mike Youmans, Gerald Stone, Gary McNeil, Dennis Lorton, Jim Pruitt, Doug Fitzsimmons, Randy Reynolds, Jeff Kandle, Gary Perkins, Doug Gideon, Gary Swindler, Larry McCulley, Tom Schmidt, David Smith, Nicky Tooley, Jerry Mason, Duane Graham, David Krause, Gary Wells, Billy Moore, Bobby Griffith, Vera Lauritzen, Leonard Sanders, Walter Cude, Robert Blevins, Fred Dussault, Robert Gemachlich, Bill Christie, Gary Gleaves, Rodney Petersen, Steve Calloway, Nick Gilman, Kelly Thomas, Jim Lewis and Mike Hilkey.

This year there is a beginners band and a band made up of students who have had band experience before. Steve Whipple is the band director. Griffin Creek has the biggest grade school band in the system.

Crater High School

By Karen Griggs
The freshmen class of Crater is organized. The class elections were held recently and Gary Schwab is president of the group. Other officers are Beckie Glines, vice president; Cindy Bartly, secretary; Carol Roach, treasurer; Carrie Green, PTSA representative; and Sue Cox, yell queen. Other yell leaders are Christine Evans, Bel Noris, Linda Parker and Margaret Rowden.

Candidates for homecoming queen last Friday at the Yreka-Crater game were Vicki Beachem, senior princess; Barbara Shatz, junior princess; Darlene Thompson, sophomore princess, and Lee Ann Chamberlain, freshman princess.

Participating in the half-time were the Crater Band under the direction of Norman Carothers and the Crater Committee under the direction of Mrs. Jean Pope.

A pep rally was held at a new Crater stadium Thursday, and Friday during seventh period, a serpentine escorted the cars holding the princesses to the parking lot of Fabers Market where a pep rally with class competition was held.

The dance Friday night was sponsored by the 60 members of the Crater Committee.

Facilities Provided For Women Commuters

New York - 77 - Quick beauty treatments for the woman commuter are the latest plan of the cosmetics world.

The firm of Charles of the Ritz in the fall will open a "parlour car" of beauty in one of the hotels adjoining the Grand Central station area of New York. The car will be an authentic reproduction of luxurious Ewardian decor used in railroad Pullmans of other days, said a spokesman for the firm. Only the wheels will be missing. It will provide facilities for a woman to freshen up between shopping, before dinner or theater, a place to rest, relax, check parcels, get the hair done, have a facial, even do some last-minute boutique shopping.
