The 12-hour class will be taught over a period of six consecutive Monday evenings under the direction of Mrs. William Baker, a qualified Red Cross instructor.

Nursing care under special conditions such as these will be included in this class, as well as home nursing procedures, home emergencies, causes and symptoms of illness and community health.

There will be no charge for the class; however, it will be necessary to limit the group to 18. Those interested in this class should register at once by calling the Red Cross office, telephone 772-4403.
