

St. Mary's Readies For V's Cougars

Pass defense has had the most concentration this week as the St. Mary's high Crusaders of Medford gear for their Rogue league scuffle on Friday with the Illinois Valley Cougars.

The teams mix at 8 p.m. at Cave Junction. It will be the last Rogue fray of the slate for both schools.

St. Mary's on the basis of having defeated every other team in the loop is the favorite in the game. But, IV, which is 3-3 against other rivals of the circuit, has demonstrated that it has upset capabilities.

Main threat of the Cougars is the passing of Darryl Gellert. Hence the Crusader concentration.

Yesterday, the SM club scrimmaged against pass of defense. The Crusaders also worked on their kicking game. They finished the day with an offensive scrimmage.

Eagle Point Host To Henley Hornets

Eagle Point - Among the four games this week end which all but bring the Rogue league season to an anti-climactic close, the top struggle could be here on Friday night.

The Eagles take on the tough Henley aggregation from over Klamath way. Kick-off is set for 8 p.m. It will be homecoming for Eagle Point.

Henley enters the fracas with a 4-2 standing in the league while Eagle Point is 2-2-1. It will be the last loop fray for Henley. The Rogue season will be wrapped up on Nov. 9 when the Eagles tussle Sacred Heart in the makeup of a stormed out game.

Second place in the league standings is at stake. Phoenix is already sure of first. Henley right now is in second spot. Eagle Point trails three teams with 3-3 marks but with just two setbacks is in the running for No. 2 spot.

Tossup Scrap

Past results indicate the scrape pretty much a tossup with Eagle Point having a strong and stubborn defense and Henley probably the better offense.

The Eagles won 26 to 6 from Illinois Valley, whom Henley trimmed 31 to 7. Henley has a 24 to 6 verdict over Lakeview which nipped Eagle Point 6 to 0. Phoenix, which overcame Henley 21 to 7 was

United Press International - Police were called Wednesday night to break up a riot involving the Spokane and San Francisco Western Hockey league teams, which resulted in an injury to a female spectator, eight major penalties, and the game being called with a minute and four seconds remaining.

The fight at the Spokane arena began with San Francisco's Larry McNabb and Connie Madigan of the Comets slugging it out. Both benches emptied and five separate fights broke out. During the melee Spokane coach Roy McBride was knocked to the ice.

The police swarmed on the ice but it was several minutes before fighting subsided. Referee Lloyd Gilmore meted out major penalties to four members of each team and called the game. Spokane won, 4-0.

In more placid action around the WHL Edmonton got two goals from Forbes Kennedy to down Calgary 4-2 and Portland moved into first place in the Southern Division with a 7-4 win over Los Angeles.

Florida School Still Tops Poll

New York - (UPI) - The South gained a stranglehold in the voting to select the nation's top small college football team today with Florida A&M continuing to lead the way in the balloting by the United Press International board of coaches.

Florida A&M, which has been on top for five straight weeks, had its margin cut to a season low of eight points over runner-up Southern Mississippi in the latest balloting and Southeastern Louisiana contributed to the solid South showing by jumping from fifth to third place.

Only the top two teams retained the positions they held last week.

Ex-NL Umpire Taken by Death

Cincinnati, Ohio - (UPI) - Funeral services will be held here Friday for Larry Goetz, 67, former National League umpire, who died Wednesday en route to Cincinnati General hospital after becoming ill at his home.

Goetz' death ended a stormy career which saw him dismissed from the umpire staff by National League President Warren Giles in 1957 after sitting out that season because of illness.

He had hoped to be named supervisor of the league's umpires, but his long battle with the league office and with players proved costly as he failed to get the job. One of his main points of contention was that umpires should be included in the players' pension fund.

Linfield Ninth In NAIA Rating

Kansas City, Mo. - (UPI) - Linfield College moved into the top 10 in the National Association of Intercollegiate (NAIA) football ratings today.

Phoenix To Engage Sacred Heart At KF

Phoenix - Phoenix high's Pirates will be after another football victory Friday night when they encounter the Sacred Heart Trojans at Klamath Falls. But, more important will be the priming for the district 6 A-2 titular playoff ahead.

For, take a good look at the Rogue league standings. Phoenix already is assured the conference diadem. Forciture by St. Mary's has removed the only season loss against the Buccaneers. Each other team has two or more losses in the conference book. Phoenix has its last league game of 1962 on Friday night and so is out of reach.

Week end after this Phoenix will oppose the Umpqua Valley league winner for the championship of the district.

In getting ready for Sacred Heart, the Pirates have spent much time this week on offense, particularly on their inside running game. Coach Jack Woodward said that part of the attack has been neglected.

The Buc's turned to their outside game when it was found to go against some teams and did not have the inside game in shape when it was needed against tougher opposition. "I believe," said Woodward, "that all it needs is work."

The mentor commented that Phoenix started the season as basically a single wing team and is now basically a T team with a single wing supplement. Work is now underway on changing the basic Buc defense.
