EP Halloween Party Considered Success

Eagle Point — The combined Jaycee and Jayettes sponsored Halloween party was considered a big success by the 20 adults and 50 children attending Halloween night at the Scout-community building here.

Plans are being started for another party next Halloween with the suggestion for earlier starting time so the smaller youngsters won't be so tired. Co-chairman Mrs. John Hall said they started at 8 p.m., to allow the youngsters to go trick or treating first but it proved too tiring for the little tots.

A mixer game "Guess Who I Am" was participated in by both youngsters and adults to start the evening's entertainment before the adults retired to the dining room to play charades and parlor games. The youngsters stayed in the large auditorium to "bob for apples," "eat doughnuts on strings," and play various other party games. The youngsters were divided into two age groups and each told a Halloween story or entertained the group with some type of performance before the lights were turned out and ghost stories told.

At 9 p.m. sharp a large

paper mache pumpkin pinata filled with candy and gum was broken by the youngsters to climax their day of school parties, trick or treating, games and excitement. Refreshments were served to both the adults and youngsters.

Mrs. John Hall and Ron Miller were co-chairmen for the party with Mrs. Ralph Humphrey, Mrs. Harold Hanscom, Mrs. Nola Meed assisting. Mrs. Gordon Peck and Mrs. Leonard Modere made the large pinata.
