Quiet Paved Street By Piggly Wiggly
2 Bedrooms, Big Lot, \$9,950
Move In Now... Flexible Terms

Here is that comfortable home on a big lot that you have been looking for. It is in a handy location too only a couple of blocks from Piggly Wiggly on a quiet paved street in a real friendly neighborhood.

The owner is living in Alaska and wants the place sold NOW! It has been rented to a nice young couple that kept it neat and clean and you won't have to do a lot of cleaning before you can move in... And you can move in right away as it is vacant and you can have immediate possession.

There is an attached garage that the owners had all insulated. I guess they thought that it gets as cold here as it does in Alaska.

It is an attractive home about ten years old and has a brand new roof. The hardwood floors are in excellent condition and not all beat up like some tenants leave them. The rest of the home is in good condition too. You won't have to do a lot of fixing up to make this one livable.

The only things this neat home needs to make it complete are a fireplace and a nice family to live in it. Why not come on down to the office now and let us show you. Maybe you are the nice family that is needed to make this home complete.

3 Bedrooms, 1 3/4 Baths, 2-Car Garage
EASTSIDE BARGAIN
Topnotch Eastside Location, \$16,900

This one is sure to please you for it has everything that the modern young housewife wants in a home.

The location is the very best. You just couldn't ask for a better address. The neighbors are all substantial citizens who own their own homes and contribute much to the cultural life of our city. It is handy to both grade and junior high school. It will save you many dollars by not having to taxi the children all around town to their school functions.

The kitchen is a delight in itself with a magnificent view from the breakfast nook and from the window over the sink. It's fun to wash dishes with a view like this. But if you tire of washing them, there is a big G-E dishwasher to wash them for you.

There is a big G-E pushbutton range built in as well as an oven.

There are two especially attractive baths and both have lots of attractive ceramic tile. You are sure to like them. This lovely home is rented now for \$130 per month but you can have possession in 30 days.

The owner has been transferred and must sell. You can just about name your own terms. You can finance it with an FHA loan (the FHA appraisal was \$18,000) or a GI loan if you like. If you have \$2,500 to pay down you can assume his 5 1/2% loan and save yourself all the closing costs.

If you have been looking for a real bargain in a 3 bedroom 2 bath home on the east side, you should see this lovely home today. Phone now for all the details.

Why Risk Your Life Driving to Work
FOG BEATER, \$7,500
Sell It Next Spring at a Profit

Are you dreading the foggy days ahead? If you are, should consider buying this close-in 2-bedroom home. You can live in it all winter and sell it next spring, and probably sell it at a profit, too.

You will enjoy living in it this winter for it is a warm, comfortable home on an excellent street, so close in that even the oldest can walk down town even on the worst winter days.

It is easy to heat and you can be comfortable all the time at a fraction of what it costs you in some of the homes that are not as well built as this sturdy home is. Now it is not the biggest nor the best but it is surely worth the price the owners are asking, and you'll pay a lot more before you find one more comfortable.

We will help you arrange all the financing. Just come on down to the office now and let us show you how easy it is to buy a home through our office.

But hurry before someone else beats you to the draw and leaves you fighting fog all winter while they are snug and warm in this sturdy old home.

We have buyers for property like yours
DO YOU WANT TO SELL?
If it can be sold we will sell it.

Business is good. Property is selling and at good prices. If you have been waiting until the "time was just right" to sell yours you have waited long enough.

If you really want to sell your property give us a call right now and let us help you. Let our experience help you get every dollar your property is worth. Phone now for expert assistance with your real estate problems.
