4-H News

The second meeting of the Bobbin Bobbins 4-H Sewing club was called to order by the vice president, Judy Frank, at the home of Mrs. Leonard Frank, club leader, recently.

Three new officers were elected. They were: secretary, Nancy Frick; treasurer, Nancy Frick; and scribe, Carol Kuest.

New business involved club acceptance of a community project to repair and iron welfare clothing.

After the formal business meeting, the members began repairs on clothing for their new project. The next meeting will be Dec. 15.

Westside Rabbiteers

The Westside Rabbiteers 4-H club held their November meeting at Phyllis Caldwell's home. New members are Shary Wilson and Robert Williamson.

Shary Wilson and James Forrest volunteered to check some homes for elderly people to see if it would be all right to give birthday cakes to members of the home.

We decided not to give a Christmas food basket. Ron Smith gave a demonstration on how to butcher and dress a rabbit. Some of the members took rabbits as part of the demonstration.

The next meeting will be held Dec. 8 and the Christmas party will be held Dec. 14.

Police investigating a burglary at the city animal shelter believe it may have been a case of somebody wanting his dog back because of the cutes - a broken window, a hack-saw blade and a red collar on the floor. Missing: one collie.

None of the persons in the area, located on the AEC's National Reactor Testing Station, in the desert west of here, were overexposed by radioactivity, the AEC said.

They were allowed to return to the building 30 minutes after they were evacuated, the AEC said.

Oregon, Idaho Agree on Bridge

Boise-Idaho-Oregon and Idaho highway officials met here Tuesday and agreed to construction of a new one-way westbound bridge across the Snake river between Ontario and Gateway Junction on U.S. 93. The present structure would be retained for one-way east-bound traffic.

Idaho Board Chairman Wally C. Burns indicated Idaho probably would be unable to participate in the program for at least two years.

However, Oregon Highway Commission Chairman Glenn L. Jackson said it was possible Oregon could design and build the bridge in the near future, and allow Idaho to contribute its 50 per cent share of construction at a later time.

"This would save us a year on this bridge," Jackson said, "and it is badly needed to take care of a hazardous traffic situation."

The Oregon commission also promised "to cooperate" in construction of a new bridge across the Snake river at Olds Ferry when Idaho "is ready to program it."

Oregon Cities League Officials Gather

Portland-Idaho-Local officials from all over Oregon flocked here today.

Mayors and city officials gathered for the annual convention of the League of Oregon Cities.

County officers convened for the annual meeting of the Association of Oregon Counties.

Boy Scouts Pack 5

The second full pack meeting of Cub Scout Pack 5 held recently was attended by members and their parents. Wayne Bennett, cubmaster, presided.

Colors were presented by Den 8.

A wolf badge was awarded to Jerry Szpak.

Four boys were inducted into the Cub Scouts and received Bobcat pins. They were Michael Pope, Douglas Wiley, Dean Trask and David Price.

Dinner stripes were awarded to Jerry Crippen and assistant denner's stripe was received by Dean Trask.

Den 2 won the "Cubbie" for having the largest number of families attending the meeting.

Frank Taylor led the pack in a song and the boys conducted a wheelbarrow race. A skit which was to have been presented by Den 8 was postponed until the November pack meeting, due to illness of one of the cast.
