Thalidomide Baby In Good Condition

Torrance, Calif. —UPI— A five-month-old boy who has had six operations to correct deformities apparently caused by the drug thalidomide was reported in "excellent condition" Tuesday and doctors said the baby may be allowed to return home this week end.

William Webb Jr. underwent surgery that involved transferring a bone in the right leg to the forearm. The baby was born without a radius in his right forearm and only had partial bone structure in the left forearm. Both thumbs were missing.

The team of doctors that performed the surgery described the operations as successful.

The boy was believed to have been deformed through his mother's use of thalidomied early in her pregnancy.

WILL AMERICA

MISS THE BOAT?

We are at a high point in science and industry, jobs and living standards, and moral influence in world affairs. But will the tide run out?

Our future leadership calls for higher education, but our colleges are in a squeeze. There are serious shortages and in less than 10 years the number of applicants will double.

We must not miss the boat. We must give our colleges the laboratories, classrooms and competent teachers they need.

HELP THE COLLEGE OF YOUR CHOICE NOW!

$10 Billion Cut In Taxes Asked For Early 1963

Washington —UPI— Labor Secretary W. Willard Wirtz and a majority of President Kennedy's Labor-Management Advisory committee called Monday for a $10 billion tax cut early in 1963.

They recommended that the bulk of such a slash be given to individuals, with corporations getting the rest.

Although "review and revision of the tax system should be undertaken promptly" the committee said, it should not be allowed to cause a delay "on the urgently needed reduction in tax rates."

Expressed in Statement

The committee expressed itself in a two-page policy statement delivered to the White House Monday. Wirtz, vice chairman of the 21-man group, and Acting Commerce Secretary Edward Gudeman, its executive director, told newsmen they both agreed with the statement.

Two committee members, not identified, dissented with respect to the size of the tax cut. They thought it should be $4 billion to $5 billion.

Some members of the majority agreed with the $10 billion figure but felt such a reduction should be spread out over two or three years.

More Than 10 Per Cent

In light of the nearly $86 billion of tax revenues estimated to be flowing into the treasury this year a $10 billion cut would be a reduction of more than 10 per cent.

The committee includes seven businessmen, seven labor leaders and seven public representatives, including Wirtz and Gudeman. Gudeman was standing in for Commerce Secretary Luther H. Hodges, who is on a round-the-world trip.

The committee said a $10 billion tax slash is likely to mean appreciable deficits in the federal budget "in the near future." But over the longer run, it said, the tax cut, by feuling more business activity, may well generate increased tax revenues."

More Time Asked For Tongue Point

Astoria —UPI— A group of Astoria businessmen has asked for 60 more days to think about buying Tongue Point Naval Station for use as an industrial park.

They asked the city council to seek a 60-day extension from the General Services Administration.

The council presently faces a Nov. 26 deadline in deciding whether it wants to buy the station, reselling it to the businessmen. If no agreement is reached, the GSA will offer the abandoned station at auction.

Desire To Give Up Tobacco Diminishes

London —UPI— British doctors who have conducted the Ministry of Health's first "cure yourself of smoking" course reported today that the desire to give up smoking is diminishing.

When the Royal College of Physicians issued a report linking smoking with lung cancer, many Britons gave up cigarettes.

But doctors said they have found that the mental attitude of smokers is slowly changing from one of alarm to complacency.

The typical attitude now is, "It cannot happen to me."

THE DIFFERENCE

Dayton, Ohio — UPI — Mrs. Wanda Bussard asked her sixth grade class to explain the difference between liquid and gas.

"A liquid is like water or milk," replied a youngster. "Gas is something that upsets your stomach."

TOO MANY SUSPECTS

Framingham, Mass. — UPI — There were 4,500 possible suspects when police tried to determine who let the air out of all the tires on the city's 19 school buses during the week end. All 4,500 students here were late for classes Monday because of the incident.

DOWN SHE GOES

Dallas, Tex. — UPI — James Daniels, 24, was forced to undergo surgery Monday to remove a thermometer he swallowed while trying to take his own temperature.

Oh, my aching back

Nagging backache, headache, or muscular aches and pains may come on with over-exertion, emotional upsets or day to day stress and strain. And folks who eat and drink unwisely sometimes suffer mild bladder irritation . . . with that restless uncomfortable feeling.

If you are miserable and worn out because of these discomforts, Doan's Pills often help by their pain-relieving action, by their soothing effect to ease bladder irritation, and by their mild diuretic action through the kidneys—tending to increase the output of the 15 miles of kidney tubes.

So if nagging backache makes you feel dragged-out, miserable... with restless, sleepless nights... don't wait... try Doan's Pills... get the same happy relief millions have enjoyed for over 60 years.

For convenience, ask for the large size. Get Doan's Pills today!
