

Order Blanks for Tree Seedlings Available in Area

Tree seedling order blanks from the state forestry department have arrived at the Jackson county extension office and at the state forestry office on Table Rock rd., according to Earle Jossy, county extension agent.

Greater numbers of each species are available this year plus a somewhat wider assortment of species. In all, there are 18 different conifers and six different broadleaves, he said.

Westside Douglas-fir, which is treated with an animal and rodent repellent spray, are \$13 per thousand in quantities up to 9,950. In amounts of 10,000 or more, up to a maximum of 100,000, the price is \$10, Jossy said. Ponderosa and eastside lodgepole pine is a dollar less, within the same limits. Westside lodgepole or shore line also is a dollar less, but with a 50,000 maximum, he added.

Other conifers costing \$12 per thousand are Eastside Douglas-fir, Scotch pine 2-0, Austrian pine, Knobcone pine, Port Orford cedar, Sierra Redwood, Chinese Arborvitae and Norway Spruce. Those costing \$15 are Scotch pine 3-0, lodgepole pine 3-0, sugar pine, noble fir, grand fir, white fir, Chasta fir, incense cedar and Rocky Mt. Juniper.

Of the broadleaves, black locust, caragana, green ash and Russian olive are \$10 and Cascara and honey locust are \$12.

Minimum orders are for 50 trees. No order for less than a dollar will be considered. Trees in amounts of less than 10,000 are postpaid. Those 10,000 and over are not, the purchaser pays shipping cost.

All trees are for non-ornamental planting, reforestation, windbreaks, posts, game cover, Christmas trees and erosion control, Jossy pointed out.

Gifts of Flowers Are Suggested

For those difficult-to-shop-for gift items, or as an extra gift for someone special, give flowers, plants or decorative greens.

For example, no matter how many and what gifts a woman may receive, there's an extra thrill for her with a gift of flowers.

Besides the regular orders of fresh-cut flowers by the dozen and the fine variety of plants, you can send sprightly corsages, Christmas wreaths, impressive garlands to decorate a mantle, mirror or doorway; imaginative floral arrangements for well-calculated placement on a table, shelf, dresser or TV.

You might have the florist arrange an unusual outdoor wreath for someone on your gift list. Or send a lovely swag evergreen garland for their fireside mantle, or make a cascade of pine branches with graded size pine cones painted white, gold and red. Top with a big red bow . . . a green one, too.

Florists usually have a large supply of ready-made Christmas corsages, sparkling with lovely ornaments. Tiny ones can be stocked at home to pin on holiday guests. They'll be flattered by your thoughtfulness.
