

Man's Body Found In Alaska Channel

Juneau, Alaska - (UPI) - The body of Lee Campbell, 38, was found Friday floating in the waters of Gastineau Channel, where his 35-foot fishing boat had been found abandoned earlier.

The Coast Guard said Campbell, an employee of Alaska Coastal and Ellis Airlines, formerly of Rowena, Ore., had recently purchased the fishing vessel Anona in Ketchikan and was bringing it to Juneau.

The Anona was found abandoned Thursday about seven miles south of here and was towed into the Juneau harbor by the Coast Guard.
