TROWBRIDGE ELECTRIC

6
Transistor
Radio
\$9.95

from our Transistor Dept.

Medford's largest display of transistor equipment, all guaranteed, all backed by a service department. Featuring the best from the Westinghouse and Channel Master line, and now, in time for Christmas, the famous Sony line, including the tiny portable TV.

The Colonial House accessory department. Take a minute (you'll find you will take much longer) to browse in this small but exclusive display of fine accessories, gathered from around the world.

WESTINGHOUSE TELEVISION

Never has Westinghouse featured such a large selection of fine portable television sets, a set for every budget, and every set incorporating the finest features of the TV industry. The low end model, is low in price only, not a strip model. See these today, ask for a demonstration of instant-on, a Westinghouse, non-expensive exclusive, saves wear and tear on your set. Ask about the guarantee, the same on all sets, a guarantee that has been acknowledged the most liberal in the industry, a guarantee with no fine print.

from the Colonial House

a department featuring Early American Furnishings and Accessories. Need an occasional chair? For the Early American and Colonial Home, and yes, the Contemporary home too, an authentic reproduction by Nichols and Stone has no peer. A chair for that desk, for the children's room, a handsome ladder back by the fireplace, new chairs for the dining table, a comfortable rocker. These very reasonably priced chairs, are built by craftsmen, handsome to behold, comfortable to sit in.

For all your Christmas needs, browse today. For gifts, for Christmas tree needs, for your needs. Let us help you during this Yule season.

A Westinghouse Portable Greenhouse

a delightful surprise for the green thumb. Several sizes to choose from.
