Medford Will Face Marshfield Friday

Medford High school basketball players go into maple-court action this Friday and Saturday just a week after a number of them completed the football season. But, Frank Roelandt, the hoop mentor, says, "They are ready to go."

Roelandt has described practices this week as "not bad" and "real good considering everything." He pointed out that "the kids are strong competitors."

The Black Tornado will encounter Marshfield on Friday night and North Bend on Saturday. Both games will be at Hedrick Junior high gym here.

FACES PIRATES FRIDAY—Jim Hill, above, 6-2 1/2 letterman, will see duty for the Medford high basketball team when it plays Marshfield here Friday and North Bend here Saturday.

The head coach said that Jim Hill, only Tornado letterman back who was not a footballer, is "doing real fine." He has improved much, Roelandt reported. He commented further that Hill has tremendous jumping power.

Of Rick Benner, the letterman transfer from Grants Pass, Roelandt said, "He is starting to come in there real fine. He's getting onto our system real good."

15 Will Suit

The coach said that probably 15 players will be suited for the varsity games this week.

Marshfield is not expected to present the overall height that North Bend reportedly has but the Tornado will face a couple of 6-4 players in Buddy Bick and Ed Fredenberg. Gene Koivunen is 6-2. A couple of other possible starters are Butch Smith and Ray Chard, each 5-9. Koivunen and Chard are up from the junior varsity. A letterman, Bud Walsh, still is sidelined by an ankle injury in football.

Medford and Grants Pass sophomores play the 6:30 p.m. preliminary on Friday. Varsity game is set for 8:15 p.m. Grants Pass and Medford junior varsities are foes in the Saturday prelim.

Medford jayvees vie at Grants Pass on Friday and the sophs go there on Saturday. Grants Pass varsity entertains North Bend on Friday and Marshfield on Saturday.

Butte Falls Lettermen Total Six
 Butte Falls — Three starters from last year and three other lettermen are on the basketball squad at Butte Falls High school.

Coach Connie McQuarrey reported the returning starters as Neal Ellis, Jim Lytle and Mike Stratton, all seniors. The other monogram men are Art Rambo, a senior, and Don Edmondson and Ron Sizemore, sophomores.

Two transfers give some good height to the Loggers. Bob Copeland, a senior from La Grande, is 6-5. Bill Butigan, senior who came from a school in Washington, is 6-3. Ellis is 6-1.

Others on the squad are Ray Sutton, senior, and Mel Bowen, junior.

Butte Falls will play the Crater freshmen at Central Point on Friday and will go to Days Creek on Saturday. The Loggers will not play a regular conference schedule but will compete in the District 5B tournament at the end of the season.

EXTENDS FARM SYSTEM
 Washington — The Washington Senators extended their farm system Wednesday when they signed a full working agreement with Geneva of the New York-Pennsylvania baseball league.

Eddie Cotton Plans Fistic Invasion

Seattle — UFB — Eddie Cotton, Seattle's much-traveled light-heavyweight contender, today was planning more fistic invasion of foreign lands after winning a unanimous 10-round decision over Von Clay of Philadelphia here Wednesday night.

Cotton said the decisive win over the hard-punching Clay put him in line for a rematch with Mauro Mina of Peru, the No. 1 light-heavyweight contender.

Cotton lost a narrow decision to the Peruvian in Lima earlier this year and the loss cost the Seattle fighter the top spot among the division's contenders.

Ken Hubbs Top Rookie

Boston — UFB — The Chicago Cubs finished far back in the pack but they produced the National League "Rookie of the Year" for the second straight season today when second baseman Ken Hubbs won the award in a near-unanimous vote.

Hubbs, who set two major league records for fielding during the 1962 season, drew 19 out of a possible 20 votes among the members of the Baseball Writers' Association of America who participated in the balloting.

The lone other vote went to first baseman-outfielder Donn Clendenon of the Pittsburgh Pirates.

New York — UFB — Ray Barbuti of Albany, N. Y., a 1923 graduate of Syracuse and a top-ranking college football official since 1929, has been named winner of the James P. Lyon Memorial trophy by the Eastern College Athletic conference. The trophy honors a dedicated official who has served over a long period of time.

Prospect Short on Experience
 Prospect — Quite inexperienced is how Coach Glen Aiken describes his Prospect high basketball squad.

There are no regulars back from last year, Aikens said. Among those who did see duty last year, Dick Bean saw the most but it was limited.

Guards on the squad in addition to Dick Bean are Larry Bean, John Scott and Jerry Wilson who were varsity reserves. Centers are Arthur Andersen and Andy Maurer, each 6-2. Forwards are Bill Hunt and Bill Johnson, each 6-1. Gene Wyatt, Sid Hemphill and Cleve Shafer.

With two freshmen and three sophs on his squad, Aiken said the Cougars have quite a bit of average height but are young and short on experience. This will be a building year.

The Prospect club is still looking for some games. It will follow an independent course in the regular season then vie in the District 5B tourney. The Cougars will play at Lowell this Friday and Saturday.

AFL GAME ON TV
 New York — UFB — The American Football League All-Star game, matching the circuit's best players in the Eastern and Western divisions, will be televised by the American Broadcasting company from Balboa Stadium in San Diego, Calif., Sunday, Jan. 13.

RESPONSE!
 Newspaper Advertising Brings Reader Response...through Buying Action!

More buying action results from newspaper advertising because of the atmosphere of believability. You've heard people say, "I know it's true, it's in the papers." The printed word has always been accepted as more honest and binding.

Newspapers report facts; other media offer entertainment. Your advertising in an atmosphere of believability is bound to induce more "want-to-buy" action than that framed in fiction or entertainment.

Newspapers offer another vital element—an atmosphere of timeliness and urgency. This sense of immediacy fosters "here-and-now" sales action that no other print medium can match.

If it's a question of consumer response—newspapers are the answer!
