

**Anti-Freeze Used On Mine Porous Rock**

Wayne, N.J. - UPI - They're using an anti-freeze compound in coal mines as well as cars these days.  
Seonor Coal Co. here says American Cyanamid's AM-9 chemical Groun turns into a jelly-like substance which seals off porous rock and soil formations, preventing dangerous ice formations and saving on expensive rock-salt de-icing operations.

**MIXED OPERATIONS**

Orlando, Fla. - UPI - Martin Marietta corporation has planted half a million slash pine seedlings on 7,000 acres of a tree farm operated as part of its huge Orlando missile plant.

**Custer and Men Left Mandan, N. D.**

Mandan, N. D. - UPI - On May 17, 1876, General George Armstrong Custer and his ill-fated Grey Horse Troop of the 7th U. S. Cavalry departed from Fort Abraham Lincoln near here.  
On June 25, Custer encountered Chief Sitting Bull's Sioux warriors at the Little Big Horn in Montana. Custer and all his men were killed.

New York - UPI - By lowering prescription prices from an average of \$3.09 to \$2.99, drug store chains across the nation boosted their prescription sales volume 13.1 per cent last year, according to a survey by Chain Store Age.

**PLAYTIME**

New York - UPI - More "toys for adults" may be sold this Christmas season than playthings for children, Revell, Inc., maker of hobbycrafts and toys, predicts.

**Government Pays Fifth of Lunch Costs**

Washington - UPI - Under the school lunch act the federal government contributes cash and foods accounting for about one-fifth of the cost of the lunch program.  
Children's meal payments represent some 60 per cent of the cost and local and state sources pay the remaining 20 per cent, the U.S. Department of Agriculture reports.
