40.7 Million Board Feet of Timber Is Sold at BLM Event

A total of 40,712,000 board feet of timber located on seven tracts were sold at an oral auction by the Medford district of the bureau of land management last week.

The Robert Dollar company, Glendale, was high bidder on two tracts in Douglas county. The first containing 4,105,000 board feet brought a price of \$96,362.15, the second, Kelsey Peak of 11,041,000 board feet sold for \$205,271.90. K and C Lumber company, Inc., Grants Pass, was the unsuccessful bidder for both tracts.

A sale of 5,249,000 board feet in the West Fork Evans creek area was purchased by Timber Products, Medford, without competition for \$95,249.10, and a tract in Josephine county on the North Fork Big Windy, with a volume of 8,069,000 was purchased at the appraised price of \$172,872 by Bate Lumber company, Merlin.

The keenest interest and competition was shown in three tracts in the southeastern portion of the district, one in Jackson county, two in Klamath county.

C. R. Hassell, Medford, was the high bidder on the first of the three tracts with an offer of \$31.50 on the Douglas fir. The tract contained 5,102,000 board feet and the total bid was \$151,614.20. The tract is located near Howard Prairie reservoir. Lower bids were received from Steve Wilson, Kogap Manufacturing company and Greensprings Lumber.

The two Klamath county tracts on or near the Keno Access road were awarded to Klamath Hardwoods and Kogap Manufacturing company. Klamath Hardwoods of Klamath Falls outbid Greensprings Lumber company on a tract of 3,256,000 board feet for a price of \$47,362.85. Bidding was confined to Shasta fir which brought a price of \$11.75 per thousand.

The final tract, purchased by Kogap Manufacturing company, Medford, received a high bid of \$14.10 on white fir. The tract of 3,890,000 board feet sold for \$48,393.05. Unsuccessful bidders were Klamath Hardwoods, Modoc Lumber company and Greensprings Lumber company.

On Dec. 4, an oral auction was held on a 90-day salvage sale of 52,000 board feet in the Hyatt lake area. Inasmuch as there was no raising bid the sale was awarded by draw to Yost Logging of Shady Cove. McKenzie Brothers were unsuccessful.

The Medford district will offer four tracts totalling 23,346,000 board feet Jan. 10. The appraised price is \$414,251.40.
