Grenfell's Trial

Date Rescheduled

Portland (UPI) - Trial of State Sen. William Grenfell Jr. (D-Portland) on a charge of making a false police report was rescheduled in municipal court here Tuesday after Grenfell requested a jury trial.

Grenfell will appear again Jan. 9.

He is accused in connection with an automobile accident Oct. 8 in which Harold A. Jones, 61, Battle Ground, Wash., was killed, Grenfell at first told police he had been abducted and pushed from a moving car, but later admitted the story was not true.

Grenfell, who was defeated in a bid for a spot on the Multnomah County Board of Commissioners in the Nov. 6 general election, also has pleaded innocent to a charge of leaving the scene of an accident.

Prison Director Has Praise for Alcatraz Pair

San Francisco (UPI) - Federal Prisons Director James V. Bennett had wry praise for two bank robbers who won brief freedom from Alcatraz Prison Sunday night.

But he stood firm in his belief that no one has escaped successfully from "The Rock" in San Francisco Bay.

Bennett, who flew from Washington to San Francisco less than 24 hours after John Paul Scott and D. Lee Parker broke out of the island prison, toured the installation Tuesday to check "security and morale."

He told a news conference there would be some changes in routine, but that the Alcatraz staff was not to blame and there would be no charges or transfers.

Scott, 35, became the first Alcatraz convict known to have reached the mainland. He was picked up, numb with cold, on the San Francisco shore 2 1/2 miles from the island.

Parker, 31, got only as far as a small rock 100 yards from the main island.

The prison director said that when he first heard of the escape "It seemed perfectly incredible and still does to a very considerable extent."

But he pointed out that Parker, "a very intelligent man" who had completed three years of college, pulled "one of the most spectacular escapes in the whole annals of prisons" in departing from the Allen County, Ind., jail at one time.

Bennett remained firm in his belief that five men who disappeared in previous escape attempts from Alcatraz drowned in the cold turbulent waters of San Francisco Bay.

"To this day," he said, "I don't think anyone escaped successfully."

Portland (UPI) - James H. Maloney, a Pendleton wheat rancher, has been elected chairman of the board of directors of the newly formed Stockman's Life Insurance Co. of America, it was announced today.

The company has its headquarters here.

DEDUCT THREE YEARS
Newark, N.J. (UPI) - The female prerogative of fibbing on age has caught on in the insurance business. The Prudential Insurance Co. announced today it will deduct three years from women's ages in calculating premiums because they "live longer than men."

SAFETY NOTE

Newark, N.J. (UPI) - To protect children, the New Jersey Safety Council today urged drinkers to eat the solids in their cocktails. Martini olives and Manhattan cherries, the council explained, may tempt toddlers to "drain the glasses."
