Mystery SPACE SHIP
AN EXCITING CHRISTMAS GIFT!
This exciting, futuristic space vehicle is "flown" by space-men who sit in capsules on top of the ship. An enclosed gyroscope, which spins at more than 3000 revolutions per minute, gives the ship perfect balance. It will balance on a point no bigger than the end of a finger, defy gravity in any position on its moon base and perform amazing gravitational tricks on any surface. Comes complete with spacemen, space cars and a powerful rocket launcher.
