Student Here; Trio, Group Skis at Park

Wallace Huffman, who arrived to spend the holidays with his parents, Mr. and Mrs. Everett R. Huffman, 1149 Loal avenue, will return January 7 to Stanford university where he is a freshman student. A 1962 graduate of Medford High school, the student is studying at Stanford on a four-year Navy scholarship and is a member of the NROTC. He is majoring in mathematics.

At Medford High school, he was a member of the Coachmen, a men's trio singing group, made up of Mark Cochran, who is visiting his parents, Mr. and Mrs. W. S. Cochran, 216 East Main street, from Oregon State university, and Jarl Dyrud, a senior at Medford High school.

On Thursday the trio and a group of other former classmates made up a snow party at Crater Lake National park where they skied and tobogganed.

Women of Unity Program Given

A guest trio, consisting of Mrs. Clinton Phelps, Mrs. Garry Tipples, and Mrs. Lauren Hardy, accompanied by Mrs. Hoyt Hay on the organ, furnished the Christmas music for the Women of Unity, last Friday, at the Unity Church of Medford.

The Christmas story, depicting the nativity scene, was portrayed by Mrs. Lee Corman, Mrs. Virginia Greene, Mrs. William Turner, Mrs. Dorothy Bowen, Ashland; Mrs. Earl Moore, Medford.

The church was decorated with bells, poinsettias, and evergreens formed the background for two miniature deer.

Mrs. Clay M. Lee read the story of the Christmas Rose, and asked for people to write the word "Christmas" with "Christ" in it, not "Xmas," for "Xmas" leaves out the "Christ."

Mrs. Edgar N. Terrill, Talent, president of Women of Unity, conducted a business session.

The Rev. Katharine Bosworth gave the devotionals on the subject of "The Healing Power of God."

Guests were Mrs. Alta B. Bance, Mrs. Netta Rectas, Miss Bea Hurley and Mrs. H. W. Conger, Medford; and Mrs. Vida LaVay, Ashland.

Hostesses were Mrs. Terrill, Mrs. Turner, Mrs. A. W. Gluttsch and Mrs. Lee. Mrs. Irving Housechild poured.

The luncheon table and room were decorated in a holiday theme.

The next meeting will be January 25.

Butte Falls, Mrs. Oscar Barlow was elected president of the Village Light circle, women's missionary group of Butte Falls Community church, at a recent meeting.

The election was held during the annual Christmas party and gift exchange.

A sudsy cloth will remove the discoloration that collects around the oven door of a kitchen range. To prevent "crazing" the enamel, wait until the surface has cooled.

To serve special New Year's party guests along with that "one more for the road — coffee" make this Champagne cake, as easy to do as saying goodbye to 1962. Just use your favorite eight or ten-inch round cake recipe. Make it at least three inches thick. Cut it in sections, in sizes as seen from looking at this photograph. After assembly,

cover the entire cake with your favorite white frosting. Outline the glass on top with yellow decorating icing in tubes. Use red decorating gel in tubes for the "Happy New Year" inscription. Bubbles are made with varied colored decorating icings and gelatines in tubes.

Preview Given Spring Style

United Press International
For spring, 1963, look for the full skirted "popover" dress for girls and subteens. It's a three-in-one dress with its own popover jumper good for early spring right through late summer.

Look for a "new look" in old fabrics this spring. Seersucker, denim and madras will take the honors. Seersucker comes in wide stripes and bold plaids. Denim has a "western" details such as contrast stitching and yokes. And madras has wider, more spaced patterns.

Caribbean bound? Try a lively striped barber shop style sport shirt combined with slim pants, white neckband and cuffs.

The rainwear trend? To a slightly short coat with more interest for belted backs. Virtually all demand today, incidentally, is for garments with zip-out pile linings.

The pinafore slip is just about the best thing that's happened to children's lingerie since the bouffant petticoat. Women's Wear Daily reports, seen only at a very few firms several seasons ago, has had such enthusiastic response that now almost all lingerie makers show several for spring.

Whipped sour cream becomes fluffy, increases in volume, and can be piled on top of gingerbread, spice cake or pudding and garnished with shaved curls of chocolate, chopped pecans or almonds, or crushed peppermint stick candy.

Good Buys In Foods Are Listed

(The following guide to the nation's food buys for this week was prepared by the U.S. Department of Agriculture and Interior for United Press International.)

Washington — UPI — As holiday festivities continue, the shopper will find a great selection and variety of meat, fish, poultry, and winter fruits and vegetables in local food shops.

Beef roasts and hams are the best meat buys. Many types of fish are available. Among them are canned Maine sardines, canned tuna, fish sticks, and fish portions.

Reasonably priced turkeys continue to be a good buy for New Year dinners.

Good supplies of carrots, lettuce, onions, squash, potatoes, and sweet potatoes will be found in produce bins this week.

Good fresh fruit buys this week include apples, bananas, grapes, oranges, and grapefruit.

Eggs are tops on the dairy foods list. Now here's a close look at plentiful food supplies in this area:

West: The preferred cuts of beef are in brisk demand for the New Year's restaurant trade this week, and as a result West coast food shoppers will find prices a bit higher in their markets. Other cuts, such as chuck, may be a cent or two lower per pound. Fresh pork prices are up a cent or two a pound also in the San Francisco area.

Ample supplies of poultry and eggs are reasonably priced.

In the fresh produce bins, there are plentiful supplies of apples, bananas, California oranges, tangerines, winter pears, broccoli, topped carrots, cauliflower, lettuce, yellow onions, spinach, and hard squash.

Also in good supply are avocados, California grapefruit, persimmons, cabbage, celery, potatoes, and sweet potatoes.

The western fresh fish shopper will find fine and abundant stocks of flounder and sole, halibut, rockfish, salmon and scallops.

Fruit Trees Toasted As New Year Gesture

Seattle, Wash. — UPI — Even the health of fruit trees was toasted at New Year's celebrations in the 16th and 17th centuries.

The Pacific Coast Canned Pear service quotes as authority for this a line from poet Robert Herrick: "Wassale the trees that they may bear in many a plum and many a pear."

Cooking Frozen Roasts

A frozen roast can be cooked in the same manner as fresh roasts: 300 degrees for beef, veal, lamb and cured pork; 350 degrees for fresh pork. However, roasts cooked from the frozen state require one third to one half again as long for cooking as defrosted roasts.

New York — Actress Ann Sothorn greets her daughter, Patricia, in the receiving line at the International Debutante Ball at the Hotel Astor December 27. Thirty-three American and 16 foreign debutantes were introduced to American society at the ball. (UPI)

A "souper" sauce can be made for vegetables, chicken or eggs by blending one can condensed cream of chicken or mushroom soup with one half cup dairy sour cream over low heat.
