

# Oregon St. Jumps Back Into Tenth Place In UPI Ratings

New York (UPI)—Cincinnati, which scored an easy victory in its only game during a light Christmas week schedule, was a unanimous choice Tuesday for the second straight week by the United Press International Board of Coaches as the nation's No. 1 college basketball team.

The unbeaten Bearcats, who have won nine games this season and 27 in a row over two seasons, have led the UPI ratings for all five weeks. Ohio University was Cincinnati's latest victim by a 73-43 score Saturday night.

The numerous holiday tournaments had a large bearing on the top 10 this week as Loyola of Chicago, winner of the All-College Tourney, solidified its position in the runner-up spot.

Illinois' victory in the Holiday Festival tournament boosted the Illini two notches to the No. 3 ranking. Arizona State, the Queen City winner, also advanced two places into fourth place. UCLA showed

the biggest improvement by jumping from 11th to fifth place by virtue of its triumph in the Los Angeles Classic.

Ohio State, Kentucky, Wichita, Duke and Oregon State completed the select group. Missing from the top 10 this week were Stanford, Bowling Green and Mississippi State—all suffering losses in tournament action.

Wichita vaulted from 16th to eighth by handing Ohio State its first loss Saturday night. The Buckeyes thus dropped from third to sixth. Kentucky, which has won four straight, moved up one notch to seventh; Duke advanced one place to ninth while Oregon State, which drew only two points last week, returned to the elite group by winning the Far West Classic.

## Sports Columnist Draws Ire of Badger Staters

West Covina, Calif. (UPI)—Sports columnist Bud Tucker of the San Gabriel Valley Tribune today crawled out of the hole into which he put himself when he called the University of Wisconsin to task as poor spenders.

Tucker made his comment Dec. 18 in a column taking the university and state of Wisconsin to task for at first indicating they would not be represented by a float in the New Year's Day parade.

That started the deluge of mail telegrams, telephone calls from all over the Badger state.

Wisconsin, however, finally was represented by a floral float in the parade and Tucker today admitted he might have been mistaken and the people of the Badger state were not as frugal as he had thought.

## Los Angeles Leaders Meet With President Of U. S. Olympic Group

There was no public announcement of what transpired at the meeting with Wilson.

## Illinois Stopped By Notre Dame

By United Press International  
If you think you've got a hangover, consider how the Illinois basketball team feels on this New Year's day.

The Illini weren't too highly regarded when they started the 1962 college court season. But they reeled off eight straight victories and climaxed the string by winning the Holiday Festival tournament in New York. As a result, they were rated among the top five teams in the country.

But that was last year. Today, 1963, they're just another team that was clipped by an underdog.

The Fighting Irish of Notre Dame were the New Year's eve celebrants who whipped the Illini—by a 90-88 score at Chicago.

Loyola of Chicago, the nation's second-ranked team, almost ran into some more of the same in the second half of the doubleheader before beating Dayton, 74-69.

**Came From Behind**  
Capt. John Andreoli hit on nine of 10 shots from the field in the second half to help Notre Dame overcome a nine-point deficit and spring the night's biggest upset. The Irish had led, 35-22, at halftime but Illinois came steadily back to go in front. Bill Burwell, 6-8 center, led Illinois with 28 points.

## Present for Coach

St. Louis University gave Coach John Pennington a happy birthday and a Happy New Year's present with 87-63 win over Kentucky at St. Louis. The Billikens led, 49-29, at halftime. Dave Harris had 22 points for the winners and Cotton Nash had 16 for Kentucky.

Brian Generalovich's 28 points led Pittsburgh to a 71-62 triumph over Princeton and Eric Magdanz tallied 28 as Minnesota downed Houston, 87-68, in other games. Pittsburgh raised its record to 7-2 for the season while Minnesota snapped a six-game losing streak.

Furman topped the Air Force Academy, 62-53, in one of the other games on the light New Year's Eve schedule.

## Crater Boosters To Meet Thursday

Central Point—The Crater Booster club will meet Thursday at the Pioneer club in Central Point at 7:30 p.m.

The purpose of the club is to inform and encourage parents to take a more active part in sports activities at Crater. All men of the community are urged to attend, whether or not they have youngsters in the school.

This is a newly organized group of patrons and needs the full cooperation of everyone.

At this time wrestling is the sport of most importance to the club. Sons have not been allowed to participate by some of the parents, because of misguided information presented on some television shows and other sources.

But according to Frank Armstrong, president of the Crater P.T.A., it actually is one of the safest sports being practiced today. Fewer injuries are incurred than in either football or basketball, Armstrong said. It also allows more students to participate than any of the other sports, because the boys are matched with others of like weight in 13 different weight groups.

Instructor for the wrestling teams at Crater is Ed Kurtley, assisted by James Taechini and Troy Bellah.

At the recent election of officers the following officers were installed: Ben Mushanney, president; Don Miestler,

## McKinley Comes Out Of Sugar Bowl Tennis Still Ranked First

New Orleans (UPI)—Charles (Chuck) McKinley of St. Ann, Mo., came out of the Sugar Bowl tennis tournament as he went in, No. 1 ranked in the nation.

In the doubles match, McKinley and Buchholz defeated Australians Don Russell and John Sharpe in straight sets, 6-1, 6-4.

## Bruce Kidd Shatters Three-Mile Record

New Orleans (UPI)—Bruce Kidd, American three-mile recordholder, shattered a 21-year-old mark Monday and was named the outstanding performer in the Sugar Bowl track and field meet.

Kidd, of the University of Toronto, breezed to a 13:37.9 clocking in his specialty, the three-mile, to break a record which had stood since 1941 when Greg Rice of Notre Dame ran the distance in 14:13.0.
