Wages Approved in Health Care Facilities

Portland – (UPI) – The State Wage and Hour Commission has approved new minimum wages ranging from 85 cents to $1 an hour for women and minors employed in health care facilities.

The new rates, replacing a former 65-cent hourly minimum, were proposed by a nine-member conference board. The commission recommended they go into effect July 1.

Titan 2 Rocket Misses Target in Atlantic Ocean

Cape Canaveral, Fla. –(UPI)– The Air Force shot its giant Titan 2 rocket at a South Atlantic Ocean target early today. It missed.

The 10-story missile, mightiest in the U.S. arsenal, ran into upper stage troubles on what would have been its longest flight to date. It fell far short.

It was the third straight time over a period of three weeks that ICBMs touted by the Air Force as being "highly accurate" failed to go anywhere near where they were aimed.

The results were expected to be of interest to the federal space agency, which is relying on the reliability of the Titan 2 to boost its two-man teams of astronauts into orbit aboard Gemini capsules starting early next year.

The Air Force contended that "many test objectives were achieved" with the Titan 2. It declined to say what the objectives were, but it was learned that the main idea was to send a nose cone 6,300 miles.

Even by the Air Force's somewhat flexible standards, that one was a 100 per cent failure. The missile missed by hundreds of miles.

'Barrier' Broken

Titan 2, which the Air Force claims can fly 10,000 miles or better, has never flown more than 5,000 miles in 10 months of tests. Today's attempt was the second to break the 5,000-mile "barrier." The other, an 8,000-mile effort Dec. 6, made it only about halfway.

As with the case of a Minuteman "instant ICBM" which flopped Monday, the Air Force said in a prepared-in-advance statement that "the cause of the malfunction cannot be determined until telemetry data are studied."

Thornton Proposes Alternative To IPC

Salem –(UPI)– An alternative to a $2.3 million claim against Idaho Power Company was announced Wednesday by Atty. Gen. Robert Y. Thornton.

He proposed fish hatcheries be built to replace an estimated 10,000 spawning salmon destroyed during construction of the Oxbow dam on the Snake river in 1958.

The proposal filed with the Federal Power Commission would have Idaho Power Company either pay the $2.3 million or construct the fisheries.

The claim for $2.3 million was filed with the FPC last Oct. 10.

Idaho Power subsequently filed a petition asking the complaint be dismissed.

Thornton said he based his action on a provision of the federal power act which makes a licensee liable for damage occasioned to the property of another as the result of construction of a dam.

TO HEAR SPEECH

Washington – (UPI) – Mrs. Jacqueline Kennedy will go to the Capitol Monday to hear President Kennedy deliver his State of the Union message to a joint session of Congress.

Newspaper Strike Negotiators Recess

New York – (UPI) – Contract talks between publishers of nine New York City newspapers and striking printers today were in indefinite recess.

A joint session Wednesday, the first since last week in the 34-day-old shutdown, between the International Typographical Union and the New York Publishers Association ended with negative reports from the principals and a federal mediator.

"I can't report any real progress," said Stephen I. Schlossberg, a federal mediator who sat in on the talks. "I have adjourned them subject to my call. I have no idea when that will be."

Bertram Powers, president of Local 6 of the ITU, saw less than no progress. "We're further apart than we were," he said. "We find the publishers are not yet ready to negotiate a contract."

TO VISIT U.S.

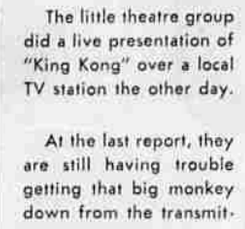
Washington –(UPI)– President Romulo Betancourt of Venezuela will visit the United States Feb. 19-20 to return a visit by President Kennedy to Venezuela last December.

Bakery Salesmen Get New Labor Contract

Salem–(UPI)–Local 992 of the Retail Clerks Union has announced agreement on a new two-year contract for retail bakery salesmen in the Salem-Corvallis-Albany area.

Union secretary Don Hattenberg said the contract calls for a 15-cent per hour increase over the two years, bringing the journeyman rate to $1.50.

MOO-O-OS and MUSINGS



The little theatre group did a live presentation of "King Kong" over a local TV station the other day.

At the last report, they are still having trouble getting that big monkey down from the transmitter tower.
