## Tornado Wrestles KF, Roseburg Teams

Rich Orr may be able to go this week at his 98-pound weight and Denny Schmall will be back at 141. Coach Ralph Monroe reported as Medford high wrestling team tuned for two week end matches.

The Tornadoes go to Klamath Falls on Friday night and meet Roseburg here on Saturday afternoon.

Monroe said it is hoped to start the jayvee bouts about 1 or 1:30 p.m. on Saturday with varsity bouts possibly beginning at 2 p.m. The match originally was set for 3 p.m. The match with Klamath will be the first between the schools this season. Medford holds a 27 to 18 win over Roseburg.

### Had To Forfeit

Orr had to default last week end at 98 because he was overweight. He was the only man on hand in that class. Now, however, Joe Banks has joined the squad. He is quick and has some junior high experience. Banks is expected to give Orr some competition. It is hoped that Lin Casciato will be back later in the season also in the 98 class. He was sidelined by a hernia operation.

A leg ailment kept Schmall out of varsity action last week with Grants Pass.

Mike Horton has gained back the 123-pound spot after dropping it last week to Mike Miller.

### PROBABLE LINEUP:

98—Rick Orr; 106—Rod Smith; 115—Mike Orr; 123—Mike Horton; 130—John Swartzfager; 136—Tom Owens; 141—Denny Schmall; 148—Frank Williams; 157—Ray Lauritzen; 168—Tom Metz; 178—Terry Wintrout; 191—Mike Mayfield; unlimited—Jeff Hardrath.

## SO Archers Bill Shoot

Southern Oregon League of Archers will hold their first indoor league shoot of the winter season on Sunday, Jan. 13. The event will be at the Grants Pass range. Rogue Archers of Medford will be hosts.

Registration for the event will be possible from 9 a.m. to 2 p.m.

All persons interested are invited.

## Four Lions Agree To Undergo Tests

Detroit (UPI)—Four Detroit Lions players have volunteered to take lie detector tests to prove that acquaintanceship with known gamblers did not affect their play.

William Clay Ford, Lions president, said that Darris McCord, John Gordy, Alex Karras and Wayne Walker all volunteered to take the tests.

Three of the players—Karras, Gordy and Walker—were named in a report made by Detroit Police Commissioner George Edwards to the Lions management and National Football League Commissioner Pete Rozelle.

The report linked the three players with known gamblers but no criminal actions were discovered in the associations.

## Medford Entertains Pels Crater Has Journey to GP; MHS, Comets Vie Saturday

Klamath Union high and Crater put unbeaten season basketball records on the line again this week in Southern Oregon conference engagements involving Medford and Grants Pass.

It is expected to be another intense two nights in the circuit with high interest in all four games scheduled.

Klamath Falls plays at Medford on Friday while Crater goes to Grants Pass. On Saturday Crater hosts Medford at Central Point and Grants Pass will go to Ashland. Medford-KF game will be at Hedrick gym.

The week end activity gives Medford, Crater and Grants Pass the double duty while Klamath and Ashland have the single conflicts.

KF will go into its fracas as the conference leader with a 2-0 record. The Pels are unmarrred in eight games this fall while Medford is 0-1 in the loop and 5-2 for the season. Crater is 1-0 in the circuit and 7-0 for all games to the 1-1 SO standing and 5-3 full mark of the Cavemen. Ashland's respective records are 0-2 and 2-6.

Greater Prestige Klamath Falls comes to Medford with greater prestige than it carried before last week end's conference games. Said Writer Floyd Wynne in the Klamath Falls Herald and News after the Pelicans beat the Grants Pass Cavemen last Saturday.

"The KUHS Pelicans moved out of the shadows of obscurity Saturday night at Pelican court when they topped a driving Grants Pass Cavemen team... in a top drawer thriller."

KF rose into eighth and nine prep poll status after previous "also ran" recognition.

Good rebounding, tight zone defense and a lineup switch were factors in the Klamath win over GP. In scoring KF won at the free line. The switch was the shift of Hal Holman back to guard and inserting Terry Ash at forward. Klamath Coach Al Keck termed Pel play Saturday the best of the season.

Holman Takes Charge Holman was credited as being the take charge guy for the Pels in their win over Ashland on Friday. He put in most of the KF points in the last quarter. Klamath Union also got good rebounding from veteran Fred Kelley and from Wayne Chamberland.

Other Pels likely to see duty against Medford are Dick Scott, Grover Dahn, Lanny Guyer and Bob Moore. Moore is a freshman.

Medford will be bolstered this week by the return of 6-2 1/2 Jim Hill. He missed the GP mix last week because a shoulder went out of place in practice. Hill worked out with the squad Tuesday and Wednesday and was "trying to go full speed." Medford Coach Frank Roelandt said, "We hope to have good use of Hill. I think he'll be playing quite a bit of ball this week."

The mentor indicated that drills went "so-so" at the start of the week but were "picking up" with a good battle among eight or nine cagers for starting spots. Roelandt said that the tornadoes have been hard at work all week.

Dick Deffley, who has performed in a reserve capacity, particularly was showing

well. Said Roelandt of Deffley: "He did a pretty fine job over at Grants Pass. He's looking better all the time in practice and is going to be playing a lot of ball."

Others in the battle for starting spots are Jack Forde, Gibb Mitchell, Mike Barnes, Mike Neathamer, Dan Miles, Jack Lowery, Darryl Stockton and Hill.

Crater, like Medford, was buckled down to the task of prepping to face two ball clubs after meeting just a single team last week. Coach Lloyd Hoffine described the Comet games as "two tough ones."

He added that "it's going to be all we can handle." And, he pointed out that the Fireballs will be up against two clubs which are bigger and physically stronger.

Pepper Rehurs Ankle "They both run, so we'll run," remarked the Comet tutor further concerning the Grants Pass and Medford games.

Pat Pepper, who turned in some fine work last Saturday against Ashland after recuperating from a turned ankle, returned the ankle on Monday and the injury is worse this time. Hoffine said that Pepper has just been shooting since Monday but that he will play in the week end contests. The coach reported that he hopes to start Pepper and see what he can do. His shooting is needed. If he can't go, Darryl Summerfield likely will get the call with Neil Rivenburg spelling him.

Crater gym is expected to be jammed Saturday night (the Grants Pass and Medford courts too for that matter). Crater Athletic Director Don Miller has reported a few reserve tickets still available at the school office.

With the exception of the GP-Ashland tussles on Saturday. Sophomore and freshman games are set for 6:30 p.m. each night. At Ashland the soph game will be at 5 p.m.

**TORNADO GRAPPLER**—Terry Wintrout will wrestle at the 178-pound weight for Medford high when the mat team vies at Klamath Falls on Friday and entertains Roseburg here on Saturday afternoon. He has a 3-2 record.

## Total Hoop War Slated On Friday

United Press International A few skirmishes break out tonight along the Pacific Coast cage front with total war due to be declared Friday night.

Games tonight pit Washington State and Gonzaga, Hawaii and Pepperdine and the San Diego Marines and Alameda State.

Friday's action will see Oregon State at Stanford for the opener of a two-game series. Stanford's Tom Dose and Oregon State's Mel Counts, who battled brilliantly as sophomores in an Oregon State sweep at Corvallis last year, will resume their rivalry.

In Big Six contests, Washington tries to prove its two wins over UCLA were deserved when it opens a pair of games at USC. California is at UCLA for a solo effort Saturday night.

The West Coast Athletic Conference Friday night will find dark horses San Jose State and St. Mary's meeting while Santa Clara should not have much trouble with Loyola.

Idaho is at Oregon and a host of smaller contests are scheduled from Mexico to Canada.

Medford will be bolstered this week by the return of 6-2 1/2 Jim Hill. He missed the GP mix last week because a shoulder went out of place in practice. Hill worked out with the squad Tuesday and Wednesday and was "trying to go full speed." Medford Coach Frank Roelandt said, "We hope to have good use of Hill. I think he'll be playing quite a bit of ball this week."

The mentor indicated that drills went "so-so" at the start of the week but were "picking up" with a good battle among eight or nine cagers for starting spots. Roelandt said that the tornadoes have been hard at work all week.

## Paul Brown Ousted by Cleveland

Cleveland (UPI)—Paul Brown's sudden dismissal after 17 years as coach of the Cleveland Browns ended a fantastic football era today and immediately gave rise to speculation that Otto Graham, his former star pupil, might succeed him.

Blanton Collier, Cleveland's offensive backfield coach and a close personal friend of Brown, also appeared to be in the running to replace the man whose whip-cracking methods helped the Browns win seven National Football league division titles and three world championships.

The 54-year-old Brown, who also was relieved of his general manager duties, apparently was so shocked by the suddenness of his firing that he went into seclusion Wednesday night.

Arthur Modell, president of the club which bears Brown's name, said "I have several men in mind as a possible successor and I hope to have an announcement within 10 days." He said he has talked to no one about the job.

Modell, who described the firing as "a simple reorganization," denied reports of friction between him and Brown.

The firing has ended, at least temporarily, a brilliant 33-year coaching career which included 296 victories, 76 losses and 15 ties.

Modell, who described the firing as "a simple reorganization," denied reports of friction between him and Brown.
