

Seven Rogue League Frays on Week end

Undefeated teams in the Rogue league basketball race will be reduced to one on Friday.

Top contest of the week end will match the two unmarred contingents that night, Illinois Valley (1-0) will clash at Henley (2-0).

The fracas will be one of seven in the circuit during the week end. One of the scrapes will be in Medford on Friday, St. Mary's will entertain Rogue River.

Illinois Valley, after meeting Henley will go on to Lakeview on Saturday. Phoenix also will go east for a pair of encounters. The Pirates will be at Lakeview on Friday and at Henley on Saturday.

Other Friday night scuffle will have Sacred Heart at Eagle Point. The Eagles go to Rogue River on Saturday.

Four-Way Jam
Week end action could build a four-way traffic jam in third place. Tied at 1-1 are Eagle Point, the defending champ, Phoenix, St. Mary's and Lakeview. Rogue River is 0-2 for the loop and Sacred Heart 0-1.

Three of the Rogue members are among Oregon's top rated A-2 schools. In both the Oregonian poll of writers and the Oregon Journal poll of coaches Henley is No. 2, Illinois Valley No. 8 and Eagle Point No. 9. Lakeview was out of the top 10 but ran 13th in the coaches' balloting.

St. Mary's continued its drills Wednesday with work-out in which Coach Dick Paup felt his charges "looked the best they've looked in a long time. The Crusaders worked for 1 1/2 hours. Concentration this week has been on offense against zone defense, SM just has not functioned well in

games against zone. A lot of shooting has been in order. **Roberts, Batzer Shine**
Ron Roberts and John Batzer have been looking real good, according to Paup. Roberts likely will start against the Chiefs.

Practice has been similar at Phoenix. Coach Eldon Durham said that the week so far has been spent on offense with attack against zone defense getting attention. Defense and shooting were to be on the agenda of today's drill. The Pirates are trying to improve their passing, shooting and offensive rebounding.

A crew of 21 players will leave tomorrow morning for the week end varsity and Jayvee games. Durham indicated that eight players will see the bulk of varsity service. These are Jim Consruck, Rick Bolz, Dave Johnson, Jon Granby, John Barker, Ray Wallace, Eugene Hill and Ken Hawkins.

CONTRACTS IN MAIL
Los Angeles—UPI—Contracts went into the mail today to 39 Los Angeles Dodgers players, some of whom are going to be disappointed according to vice president and general manager E. J. (Buzzie) Bavasi. "Some of the boys are going to be disappointed," Bavasi said, "and some happy. But none should be surprised."

ARM STILL GOOD
Lubbock, Tex.—UPI—Pittsburgh Steeler quarterback Bobby Layne, who says his arm is as strong as ever, will think about it awhile before making any decision on his future. The blond former University of Texas quarterback seemed a bit nettled about suggestions made by Steeler coach Buddy Parker that he (Layne) had "played long enough." Parker said Layne's arm "is not as strong as it used to be."

SIGN FOR '63 SEASON
Chicago—UPI—The Chicago Cubs reported 11 players have signed for 1963. Latest additions were pitcher Larry Jackson, obtained from St. Louis in an Oct. 17 trade, and outfielders Lou Brock and Bob Will.

NCAA Looking to MacArthur To Solve Dispute With AAU

Los Angeles—UPI—Delegates to the 57th annual National Collegiate Athletic association (NCAA) convention today looked to Gen. Douglas MacArthur for a solution of the bitter fight for control of amateur athletics in the United States.

The three-day convention ended Wednesday with the schism between the Amateur Athletic union and the NCAA-sponsored sports federation having virtually excluded all other major business.

The convention opened under the cloud of threats by some schools to participate in AAU indoor track meets in defiance of the federations and the proposed NCAA retaliatory measure of declaring defectors ineligible for championship competition.

But supporters of the NCAA program backing the U. S. Track and Field federation held the line, forced the insurgents to abide by the federation programs and then in a conciliatory move withdrew the ineligibility threat.

Proposed Title Defense Tussle Definitely Off Sonny Liston Declares

Chicago—UPI—Heavyweight Champion Sonny Liston announced today that his proposed return title defense against Floyd Patterson at Miami Beach on April 4 is "definitely off."

Liston declared: "If Patterson wants to fight me it will have to be at Baltimore in May—and after Championship Sports pays me the money I got due me from our first fight."

The first Liston-Patterson fight was staged at Comiskey Park last Sept. 25 when Sonny won the championship from Floyd on a first round knockout.

"I still got more than \$200,000 coming from that fight," explained Liston. "Championship Sports broke our return bout contract when they didn't pay me my first \$50,000 within 24 hours. So now they can't hold up the rest of my money in ex-crow (sic) on the broken contract."

"And Championship Sports won't promote my first defense." Asked if he had taken this

stand after talking it over with his advisor, Jack Nilon of Chester, Pa., Liston stated, "I've talked it over with lawyers."

Liston bellowed even louder Wednesday when he heard premature disclosures about the proposed Miami Beach fight.

"Nobody contacted me about the fight, and whoever is making noises about it better talk to me before they get into this too deep," the champion said.

Meanwhile, Tom Bolan, president of Championship Sports, Inc., insisted in New York that Liston and Patterson will sign formal contracts there next week for their return bout.

At Miami Beach Wednesday night, Chairman Fred Anderson of the beach commission, said the commission had not been officially approached for approval of the fight.

However, he said: "All the indications seem to be that the fight will be here. We may have it straightened out Thursday."

"KEEP YOUR MITTS OFF THE SLANT SIX"

In our fleet of over 50 pickups, all but six are Dodges. They include every age from a couple of 1937's to seven or eight 1962's. All our newest Dodges have the Slant Six engine. We hope you people leave that engine alone. It's a very good engine, a better engine than any other in its class, because it goes about its business economically and with dependability. We buy Dodges for five important reasons: Good price, good engine, good body, comfortable ride, and roadability!

But we haven't left the Slant Six engine alone. We have developed a premium version of it, with a roller timing chain, bi-metal connecting rod bearings, Stellite-faced exhaust valves with Roto-Caps, and valve stem seals. And we have made this new super-tough engine the standard Six in seven different Dodge truck models. Your Dodge dealer will tell you all about this new 225-2 engine and the features of Dodge—America's only Job-Rated Trucks. See him soon! And ask about Dodge Truck's liberal new finance plan.
