Basketball Roundup

Georgia Tech's Perfect Record Spoiled By Mississippi State

By United Press International. Basketball action is light along the coast this week as many students battle the books for their semester final examinations. Washington State figures to flunk out tonight in a battle at Idaho while Westmont is at Cal Poly of San Luis Obispo in another contest this evening. Monday night's major tilt found Gonzaga disposing of a good small school squad, Eastern Washington, in an 83-73 battle. Gonzaga built up a 78-59 lead with five minutes to go and coasted in. Its record is now 8-6. Bill Wilson hit for 24 for the Zags and Alex Woods 15 for the losers. Elsewhere across the nation, Mississippi State's home court invincibility has wrecked Georgia Tech's 11-game winning streak, establishing coach Babe McCarthy's Bulldogs as top dog again in the Southeastern Basketball conference. W. D. Red Stroud, Mississippi State's skinny basketball man who beat Georgia Tech with a last second basket last year, scored 30 points in an 81-69 rout over the Yellow Jackets Monday night at Starkville, Miss. The loss knocked Tech off the unbeaten list, leaving only top-ranked Cincinnati, second-ranked Loyola of Chicago and Niagara, ranked No. 18, on the major college perfect record list. The ninth-ranked Bulldogs moved in front of sixth-ranked Tech, 21-20, with seven minutes left in the half and were on top the rest of the way to score an important SEC victory. Kentucky (3-1) and Georgia Tech (2-1) are considered State's toughest rivals for its fourth title in five years. Mississippi State now stands 3-1 in conference play with 11-3 overall. Leland Mitchell of the Bulldogs backed up Stroud Monday.

White Sox, Orioles Both Happy With Six Player Trade

By ED SAINSBURY UPI Sports Writer. Chicago—UPI—The Chicago White Sox lost two front-line players in Luis Aparicio and Al Smith but general manager Ed Short believes the four Baltimore Orioles players he got in exchange might have solved three big problems. The Sox obtained relief pitcher Hoyt Wilhelm, shortstop Ron Hansen, rookie third baseman Pete Ward and outfielder Dave Nicholson in the switch. "We added power, because we got three guys who can hit the ball out of the park," Short said. "We beefed up the bullpen, and we think we might have come up with the third baseman we needed." Short believed the deal might have partially cured the club's need for a power hitter for the No. 4 spot in the batting order. "It could make it possible for us to get more power in the whole lineup," he said. "So we wouldn't have to be so strong in the No. 4 spot. We could have diversified power."

A halftime show featuring some of the country's leading vaudeville acts will round out the program.

FLEXIBILITY! The Daily Newspaper Is the Flexible Medium for Pinning Down Sales. Newspapers don't tie up the advertiser with rigid time schedules or space limitations that weaken the impact and effectiveness of his message. Newspapers offer creative and physical flexibility. An advertiser can use a two-page spread to tell a detailed story or he can use a smaller space to say what he wants in fewer words, depending on his budget and his strategy. The physical flexibility of newspapers means ads can be scheduled quickly to take care of sudden selling opportunities. The daily newspaper is flexible enough to fit any advertising strategy.
