Red Raider Cagers Down PSC Vikings

Portland—Southern Oregon upended the Vikings of Portland State 66-50 on Friday night for their fourth Oregon Collegiate conference basketball verdict in six games.

The OCC second place Red Raiders from Ashland grabbed an early lead and held it throughout most of the game. In the opening minutes PSC held the usually fast-moving SO cagers to a slow gait. But the Vikings could not hold the Raiders for long. And the Ashlanders broke away. Southern Oregon fished the half ahead by 35-28.

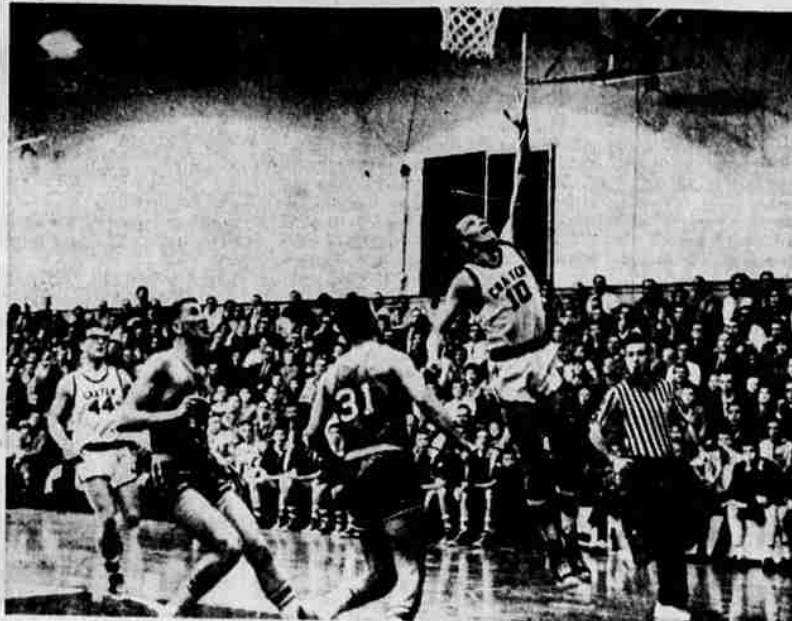

Accurate Shooting In the final period the SOC players couldn't do a thing wrong. They stole the ball a number of times and hit the hoop with extreme accuracy. Larry Hink, the Raiders hustling junior forward, was hot in the closing period with six out of eight from the field for .750 average and a game total of 13 points.

Topping the scoring list for the third game in a row Southern Oregon's Dave Hughes hit 545 from the floor and had 25 points. Battling for control of the boards, SOC's Jerry Shults brought down a game-leading 17 rebounds and tied for second in scoring with 14.

Heading the scoreboard for the Vikings was John Nelson with 14. Dave Hollingsworth sparked the Portland rebounding with 11.

Table with columns: Player, FG, FT, PF, TP. Rows include Hughes, Shults, Hink, Finary, Beazley, Franks, Hill, Johnson, Llewellyn, Total, PSC, Nelson, Dippold, Hollingsworth, Schrank, Ivershagen, Woolmouth, Riese, Sherman, Nelson, Jim, Mike.

Crater High Trips Pels in Overtime

Central Point-Crater high's Comets, with never give up fire, overcame Klamath Falls here Friday night in an overtime spine-chilling thriller to rise into a tie for the basketball leadership in the Southern Oregon conference.

The Fireballs fought from behind in both regulation time and in the extra period to edge the defending league champion Pelicans 59 to 57 in a "giant-killer" effort. Howard Tomlinson drove the length of the court for a tying bucket in the dying seconds of the fourth quarter to send the battle into added session. Lou Alvarez, Paul Branson and Mike Glines provided the vital counters in the overtime.

Triumph gave the Comets a 3-1 conference standing—the same as Grants Pass before the Cavemen met Medford last night. Klamath (2-2) dropped into a knot with Medford. Crater, ahead 42 to 38 at the end of the third quarter, fell behind in the fourth. With 1 1/2 minutes to play, Klamath was in front 51 to 47. Then, with 47 seconds left KF's Dick Scott missed a free toss opportunity. The Comets rebounded and Alvarez goaled on a long one-hand shot from the side for 51 to 49.

There were 12 seconds left when Hal Holman drew a one and one foul. He missed. Tomlinson grabbed the rebound and boomed toward the Crater bucket. He shot from about free line range. The ball went into the hoop and out, lay dead on the rim for what seemed several seconds, then rolled and plopped through the net for a 51-all knot. Wayne Chamberland made it 53 to 51 at the start of the extra with a jumper to the right of the key. Alvarez humped a one-hander from far out. But Grover Dahn came back with two free heaves for 55 to 53 for Klamath. Alvarez tied the fracas next from the gift stripe. With 30 seconds left Branson sank the second of two tip ups tries off Tomlinson's miss from the field for Crater 57 to 55.

Darryl Summerfield, who turned in a great defensive effort for the Comets, snared the rebound on a missed shot by the Pelicans' Fred Kelley. Crater took time out with 13 seconds left. The Comets then played the ball in from mid-court. Summerfield took it in the backcourt and dribbled up

Duden Leads Golf Match

Pebble Beach, Calif.—UPI—Unheralded Bob Duden, proponent of the unorthodox pendulum putter, swept into the third round lead of the \$50,000 Bing Crosby national pro-amateur golf tournament Saturday. Pushed along by horrible performances by Arnold Palmer, second round leader Davey Hill, Bill Casper and Jack Nicklaus, Duden posted a 67 on the easy Monterey Country club course for a 210 score and a one-stroke lead.

Right behind Duden, of Portland, Ore., tied at 211, were Julius Boros and Casper. Rodriguez Wins Over Giambra Miami Beach—UPI—Fancy-dancing Luis Rodriguez won a unanimous decision over a plodding Joey Giambra Saturday night in their 10-round nationally televised middleweight fight. There were no knockdowns, but the fast-hitting "free" Cuban opened up a cut near each of Giambra's eyes and had the Hollywood Calif., boxer in trouble several times.

Standford Hires Ralston As Head Football Coach

Stanford, Calif.—UPI—John Ralston, who used to flatten Stanford halfbacks when he played for the arch-rival University of California, went over to the enemy today as the Indians' new football coach.

The highly successful Utah State mentor was hired by Stanford Friday for a three year period at a salary believed to be in the \$17,000 range. President J. E. Wallace Sterling announced Ralston's selection with the appointment subject to approval by the school's board of trustees. Ralston, 35, didn't get the call until after Bob Reynolds—former Stanford football great—had vainly tried to make Navy's Wayne Hardin change his mind about staying on with the Middies.

Hardin had figured prominently in the Stanford race until he had signed a new two year pact on Wednesday to return to Annapolis. Succeeds Curtice Ralston succeeds Jack Curtice, whose inability to please various alumni factions is said

to have been one of the reasons for his downfall. In his five years at Stanford, Curtice had a mark of only 14 wins against 36 losses. Ralston, who posted a mark of 31 victories, 11 losses and one tie in four years at Utah State, learned of his selection after he had given up waiting for word in the Bay area and went back to Logan, Utah.

"In John Ralston we are getting a man who will do the kind of a job we want," said athletic director Al Masters. "He will coach hard-nosed, interesting, and winning football. We know that John will be popular with his players as well as the other students, faculty, alumni and fans."

WHEELING! What do shock absorbers do for a car? I'm willing to bet that the majority of "WHEELING" readers believe just as I did for a long time that the function of shock absorbers is to insure a softer, less tooth-rattling ride for drivers and passengers of automobiles. But this is just an incidental advantage of the suspension system of your automobile. The basic reason for having "shocks," as they are called, is that they keep the car's wheels on the ground. The reason that this is desirable is that you have maximum control of your car at all times. Therefore, it's essential to safety that your car's suspension system be up to par. Poor "shocks" mean a dangerous automobile, so have them checked on your car regularly. Drive into 700 E. Main where CARL'S EASTSIDE SHELL attendants can give your car a complete checkup.
