Isn't it time that you had a warm bath?

Aren't you sick of the ice cold kind? So many modern baths are as practical and antiseptic—and just about as cozy—as an operating room.

Yet a bathroom can be both practical and personal. It's largely a matter of the light you see it in. We lit one for a lady, recently, with a chandelier's shimmer. And now her bath warms the spirit as well as the flesh. But warming baths is just one of the tricks we do with Lightolier lighting. Choosing from fixtures of every period, kind, and size, our staff wizards regularly make vast rooms cozy, small rooms spacious, and turn all kinds of houses into homes.

Do come in soon and browse thru our lovely Lightoliers.
