Clay, Powell To Settle Differences on Thursday

By DICK FONTANA
Pittsburgh — (UPI) — Cassius Clay and Charlie Powell, who for the past week have been trading verbal punches, step into the ring Thursday night to settle their differences with their fists.
Clay, 21-year-old undefeated poet-puncher from Louisville, has predicted a three-round knockout over Powell, former professional football player from San Diego, Calif.
Clay, who called the shot by knocking out Archie Moore in four rounds in his last bout, originally had forecast a five-round win over Powell but lowered it because "he's been popping off."
Powell, whose reticent demeanor is in marked contrast to Clay's verbosity, has retorted by remarking "If anyone goes in five it will be Clay. All it takes is one punch."

But that one punch may be difficult to land. Clay's speed has carried him through 16 fights unmarked and he has never been on the canvas.
Both fighters hit with power. Clay has scored 13 knockouts in his 16 victories. Powell has kayoed 17 opponents and decided six others. Three of his fights have ended in draws and he has lost six, three by knockouts.
Powell expects to go into the fight at about 210 pounds, 40 less than when he was toiling as a defensive end for the San Francisco Forty-Niners of the National Football league.
Utah State Picks Knap
Logan, Utah—(UPI)—It took Utah State university only four days to fill its vacant head football coaching position and new coach Tony Knap hopes to use similar speed in producing a winner.
Knap, a defensive specialist, was appointed Tuesday to fill the vacancy created by the departure of John Ralston, who last week became coach at Stanford.
Knap was Ralston's top assistant for the past four years at Utah State.
Appointment of the 48-year-old Aggie assistant was announced in Salt Lake City following a meeting of the USU board of trustees.

Los Angeles State Eyes on Big Time
Los Angeles — (UPI) — Los Angeles State college, out to build itself into as big an athletic power as its neighbors Southern California and UCLA, appears to be on the way with the hiring of amazingly successful football coach Homer Beatty.

Beatty, it was learned through reliable sources Tuesday night, was to officially be signed as the young school's second football coach today.

The 47-year-old Beatty, who played at USC under Howard Jones in the late 1930s, brings to State a high school and junior college coaching record of more than 85 per cent victories.

As coach of Santa Ana college last season he led the Dons to their first undefeated season in 17 years and a 20-0 victory over Columbia Basin College of Pasco, Wash., in the 1962 Jimmy Rose Bowl.

Viks Land Big 10 Star
Minneapolis — (UPI) — Officials of the Minnesota Vikings, elated over their surprising success in landing one of the hottest pro football quarterback prospects in years, began making plans today on how to use the star Wisconsin caller.

The player, of course, is Ron VanderKelen of Green Bay, Wis., who signed a hefty one-year contract with the Vikings Tuesday, presided over a press conference, and left for home to continue studying for mid-term examinations at the University of Wisconsin.

VanderKelen, whose passing made him the hero of the Jan. 1 Rose Bowl game, ignored pressures from his home town to sign with the Packers and instead chose to go with the younger Vikings squad.

Title Tussle On Again, 'If'
Miami Beach — (UPI) — The on-again, off-again battle between heavyweight champion Sonny Liston and former king Floyd Patterson is on again.

And again, it's an "if" proposition.

Promoters and lawyers met here Tuesday and announced the fight will be held at Miami Beach auditorium, which seats up to 15,000 persons, April 4 "if" Championship Sports, Inc., comes up with \$207,000 for Liston this week end.

The money, which includes Liston's winnings from his earlier first-round knockout of Patterson, has been held in escrow to assure that the contract for a return match between the two is carried out.

Nose Bloodied In NBA Brawl

Los Angeles — (UPI) — Any resemblance to the new Los Angeles Rams coaching staff and the old New York Giants player roster is strictly intentional.
Harland Svare, preparing for his first full year as coach of the Rams, so far has appointed three former Giant teammates as assistants.
Don Heinrich, onetime University of Washington star who spent six years quarterbacking for the Giants, Tuesday was named offensive backfield coach for Los Angeles. The announcement came only one day after Svare appointed Ray Wietecha, New York offensive center for the past decade, as Rams offensive line coach.

And Svare prior to the close of the season moved former Giant defensive back Lindon Crow to the position of defensive backfield coach.

Lucky Opens On Thursday
By HAL WOOD
San Francisco — (UPI) — The Lucky International, fourth stop on the 1963 winter's golden golf tour, opens Thursday with every big name in the game shooting for the top prize in the \$50,000 event.

The natural favorites are Bill Casper, winner last week of the Bing Crosby at Pebble Beach; Gary Player, who captured the San Diego Open; and Arnold Palmer, who won at Los Angeles but was disqualified in the Crosby.

And watch out for National Open champion Jack Nicklaus.

Nicklaus came within a quarter of an inch of the ball roll of tying with Casper in the Crosby, finally deadlocking for second. He is in tip-top condition and ready to knock over a big one.

This tournament is being played on the 6,900 - yard Harding Park course which is lined with trees and fairly well trapped, with a premier on accuracy off the tees and on approaches. It could fit Nicklaus well.

Angling Rules Hearing Friday
Portland — (UPI) — The State Game Commission will hold a public hearing here Friday before setting final sports fishing regulations for 1963.

Tentative regulations adopted two weeks ago called for an April 20 trout season opening with coastal streams and high Cascade lakes opening May 25.
